Fund overview

The Fund's objective is to provide a return consisting of income and, over the medium to long term, capital growth. The Fund's investment will focus on dividend yielding equities, selected by the Sub-Investment Manager on the basis that it believes such securities offer above average yields compared to other companies in the Asia Pacific ex Japan region. The Fund will also invest in equities that exhibit growth potential above that of the gross domestic product (GDP) of the respective country in this region. The countries in this region are defined as those qualifying for inclusion within the MSCI AC Asia Pacific ex Japan Islamic Index, although the Sub-Investment Manager may also invest in equities listed in other countries, provided such equities are deemed Shariah compliant by the Shariah Adviser and the issuer derives significant revenue from the Asia Pacific ex Japan region as defined above.

Organisation

Principal Islamic acts as a global partner to institutional global investors, providing a range of innovative Shariah-compliant solutions to help diversify investment portfolios and achieve financial goals. We offer customised mandate for institutional investors and Undertaking for Collective Investment Trust (UCITS) via the Principal Global Investors Funds platform. Principal Islamic is a joint venture between Principal Financial Group and CIMB Group, and headquartered in Kuala Lumpur, Malaysia. This allows Principal Islamic to leverage on Malaysia's comprehensive Islamic financial infrastructure and its adopted global regulatory, legal and Shariah best practices, whilst Principal Global Investors (the asset management arm of Principal Financial Group) lends its expertise in global asset management.

Risk warnings

- The price of equity securities fluctuates based on changes in a company's financial condition, overall market and economic conditions and market sentiment, resulting in an increased potential for volatility. Please see the section entitled Special Investment Considerations and Risks of the Prospectus where full details are disclosed.
- There are specific risks associated with investments in emerging markets, resulting from potentially less developed market practices. These include legal, political and fiscal instability, settlement, liquidity, currency, accounting standards and custodial risk.
- The market value of Sukuk is affected by changes in prevailing interest rates. The Fund may also be exposed to credit and default risk by investing in such securities. Additionally, due to its size, the Sukuk market may present liquidity risk. There is a higher default risk associated with investment in below investment grade Sukuk.
- The Fund may utilise a number of derivative instruments in managing the Investment Objective of the Fund. The primary risks associated with the use of such instruments are credit risk, counterparty risk and collateral risk.
- The value of an investment may fluctuate due to changes in exchange rates between currencies and may or may not be hedged back to the Fund's base currency.

Performance note

The Fund is actively managed without reference to a benchmark and the performance of the Fund is not intended to be compared directly with any specific publicly available benchmark. The Sub-Investment Manager maintains full discretion to select investments for the Fund in line with the above investment policies. The Sub-Investment Manager maintains full discretion to select investments for the Fund in line with the above investment policies. The MSCI AC Asia Pacific ex Japan Islamic Index is referenced in order to help identify Shariah-compliant securities, with the Dow Jones Sukuk Total Return Index being referenced in order to help identify Shariah-compliant fixed income securities (Sukuk).

The performance data shown is based upon the Fund's Net Asset Value (NAV) prices of the last Irish business day of the month. For Funds not open for dealing on this day this will be an indicative NAV. As a result, it is possible that the stated performance and the actual investment returns available to investors will differ. The performance data shown is based upon the Fund's official Net Asset Value (NAV) prices. The performance data shown is net of fees and other charges but excludes any potential entry/exit charges- as such the return an investor receives may be lower. Important information

The Investment Objective as stated in this document is a summary, please refer to the supplement for full details of the Investment Objective and Policy of the Fund.

The interest rate used is a general economic indicator that will have an impact on the management of the Fund regardless whether it is a Shariah-compliant Fund or otherwise. It does not in any way suggest that the Fund will invest in conventional financial instruments. All the investments carried out for the Fund are in accordance with Shariah requirements.

Unless specified in this document, the strategy does not:

(i) promote environmental or social characteristics in a way that meets the specific criteria contained in Article 8 of the Sustainable Finance Disclosure Regulation (EU) No. 2019/2088 ("SFDR"); nor (ii) have sustainable investment as its objective in a way that meets the specific criteria contained in Article 9 of SFDR.

Notwithstanding this, the strategy/product is managed in line with the Principal Global Investors responsible investment policy, incorporating its Sustainability Risk and Principal Adverse Impacts policies. These policies can be found at <https://www.principalam.com/eu/investment-products/ucits-funds>.
