Any investment in the Shariah compliant money market instruments which have been endorsed by Shariah adviser/committee other than the appointed Shariah Adviser, such investment must also be approved by the appointed Shariah Adviser upon review of the necessary and relevant documentation e.g. principal terms and conditions, Shariah pronouncements and/or other necessary approvals.

Rules on divestment of Shariah non-compliant securities

In the event of the following investment instances occur in the Fund, the rules below shall be executed by the Manager or its fund management delegate:

1. "Shariah-compliant instruments" which are subsequently considered as "Shariah non-compliant".

This refers to the money market instruments and/or Islamic Deposits which were earlier classified as Shariah-compliant but reclassified or deemed to be Shariah non-compliant as a result of a new or previously unknown fatwa/ruling and/or upon advice by the issuer's Shariah adviser and/or Shariah Adviser, the Manager or its fund management delegate would be required to sell the said money market instruments and/or Islamic Deposits and/or to withdraw the said money market instruments and/or Islamic Deposits, as soon as practicable of having notice, knowledge or advice of the status of the same. Any profit received from the Shariah compliant money market instruments and/or Islamic Deposits prior to the occurrence of the aforesaid event shall be retained by the Fund. Any profit received subsequent to the occurrence of the aforesaid event shall be channeled to charitable bodies, as endorsed by the Shariah Adviser.

2. Shariah non-compliant instruments.

This refers to the investment in Shariah non-compliant money market instruments and/or Islamic Deposits. In the event that the Manager or its fund management delegate mistakenly invests/places in the aforementioned, it is required for the Manager or the fund management delegate to dispose/withdraw such investment/placeholder within a month of becoming aware of such non-compliance. Any gain(s) and/or return(s) that are received before or after such disposal/withdrawal have to be channeled to charitable bodies as endorsed by the Shariah Adviser. The Fund has right to retain only the original investment cost, which may include brokerage fees and other transaction costs. If such disposal/withdrawal causes losses to the Fund, the Manager or its fund management delegate shall bear the losses by ensuring the loss portion be restored and returned to the Fund.

Cleansing process

Under Shariah, any income or distribution received by the Fund from investments in its portfolio which relates to income from Shariah non-compliant investments/placements as set out above, are considered impure income. This impure income is subject to purification process as advised by the Shariah Adviser, from time to time and without limitation, where the impure income will be distributed to charitable bodies as endorsed by the Shariah Adviser.

Periodic review

The Shariah Adviser will review the Fund on a quarterly basis to ensure the Fund's operating procedures and investments comply with the Shariah principles.

The investment portfolio of the Fund comprises instruments which have been classified as Shariah-compliant by the SAC of the SC and, where applicable the SAC of the BNM. For instruments not certified by the SAC of the SC and, where applicable the SAC of BNM, the status of the same will be determined in accordance to the ruling of the Shariah Adviser and Shariah Investment Guidelines.

1.5. APPROVALS AND CONDITIONS

There is no exemption and/or variation to the SC Guidelines for this Fund.

1.6. FINANCING

The Fund may not obtain cash financing or other assets in connection with its activities. However, the Fund may obtain cash financing for the purpose of meeting withdrawal requests for units and for short-term bridging requirements provided always that all the financing complied with the Shariah requirements.

1.7. RISK FACTORS

1.7.1. GENERAL RISKS OF INVESTING IN A COLLECTIVE INVESTMENT SCHEME

Before investing, you should consider the following risk factors in addition to the other information set out in this Information Memorandum.

Returns not guaranteed

The investment of the fund is subject to market fluctuations and its inherent risk. There is **NO GUARANTEE** on the investment returns, nor any assurance that the fund's investment objective will be achieved.

General market environment risk

Market risk refers to the possibility that an investment will lose value because of a general decline in financial markets, due to economic, political and/or other factors, which will result in a decline in the fund's NAV.

Inflation risk

This is the risk that your investment in the wholesale fund may not grow or generate income at a rate that keeps pace with inflation. This would reduce your purchasing power even though the value of the investment in monetary terms has increased.

Manager's risk

This risk refers to the day-to-day management of the fund by the manager which will impact the performance of the fund. For example, investment decisions undertaken by the manager, as a result of an incorrect view of the market or any non-compliance with internal policies, investment mandate, the deed, relevant law or guidelines due to factors such as human error or weaknesses in operational process and systems, may adversely affect the performance of the fund.

Financing risk

This risk occurs when you obtain financing to finance your investment. The inherent risk of investing with money obtained from financing includes you being unable to service the financing payments. In the event units are used as collateral, you may be required to top-up your existing instalment if the prices of units fall below a certain level due to market conditions. Failing which, the units may be sold at a lower NAV per unit as compared to the NAV per unit at the point of purchase towards settling the financing.

Reclassification of Shariah status risk

This risk refers to the risk that the currently held Shariah-compliant securities in the fund may be reclassified as Shariah non-compliant in the periodic review of the securities by the SAC of the SC, Shariah adviser of the issuer, the Shariah Adviser or the Shariah boards of the relevant Islamic indices. If this occurs, we will take the necessary steps to dispose such securities. There may be opportunity loss to the fund due to the fund not being allowed to retain the excess gains derived from the disposal of the Shariah non-compliant securities.

In the event that the Shariah non-compliant securities are disposed at a price lower than the investment cost, it may adversely affect the value of the fund. Thus, it may cause the NAV of the fund or prices of units to fall.

1.7.2. SPECIFIC RISKS RELATED TO THE FUND

There are specific risks associated with the investment portfolio of the Fund, which include but are not limited, to the following:

Credit and default risk

Investment of the Fund may involve a certain degree of credit and default risk. Generally, credit and default risk is the risk of loss due to the counterparty's and/or issuer's non-payment or untimely payment of the investment amount as well as the returns on investment. We aim to mitigate this risk by performing fundamental credit research and analysis to determine the creditworthiness of its counterparty and/or issuer.

Investment in the Fund is not the same as placement in Islamic Deposit with a licensed financial institution. There are risks involved and investors should rely on their own evaluation to assess the merits and risks when investing in the Fund.

Interest rate risk

Interest rate risk is the risk that an investment's value will be affected due to a change in the level of interest rates. Such changes usually affect the investments inversely and can be reduced by managing the duration of the portfolio via shorter or longer tenured assets depending on the view of the future interest rate trend of the Manager, which is based on its continuous fundamental research and analysis.

Please note that although Islamic Deposit is a non-interest bearing instrument, the profit rate is correlated to the movement in the interest rates. As such, even though the Fund does not invest in interest bearing instruments, the profit rate of Islamic Deposit will be affected by the movement in interest rates and consequently the value of the investment of the Fund may be affected.

Currency risk

There are 2 levels of currency risk associated with the investment of this Fund:

- **Currency risk at the Fund's portfolio level**

As the investments of the Fund may be denominated in currencies other than the base currency of the Fund, any fluctuation in the exchange rate between the base currency of the Fund and the currencies in which the investments are denominated may have an impact on the value of these investments. You should be aware that if the currencies in which the investments are denominated depreciate against the base currency of the Fund, this will have an adverse effect on the NAV of the Fund and vice versa. You should note that any gains or losses arising from the fluctuation in the exchange rate may further increase or decrease the returns of the investment.

- **Currency risk at the Class level**

You should also be aware that currency risk is applicable to Class(es) which is in a different currency than the base currency of the Fund. The impact of the exchange rate movement between the base currency of the Fund and the currency denomination of the respective Class(es) may result in a depreciation of the value of your holdings as expressed in the currency denomination of the respective Class(es).

You should realise that currency risk is considered as one of the major risks due to the volatile nature of the foreign exchange market. When deemed necessary, we may utilize derivative instruments to hedge currency risk.

The above summary of risks does not purport to be an exhaustive list of all the risk factors relating to investments in the Fund and are not set out in any particular order of priority. You should be aware that an investment in a Wholesale Fund may be exposed to other risks from time to time. If in doubt, please consult your professional advisers for a better understanding of the risks.

2. FEES, CHARGES AND EXPENSES

2.1. CHARGES

The following describes the charges that you may **directly** incur when you buy or withdraw units of the Fund.

2.1.1. Application Fee

Nil.

2.1.2. Withdrawal Fee

Nil.

2.1.3. Switching Fee

Switching is treated as a withdrawal from a Class and an investment into another Class or CIMB-Principal Islamic Fund (or its class). As such, you will be charged a Switching Fee equal to the difference (if any) between the Application Fee of the Class to be switched out and the Application Fee of the other Class or CIMB-Principal Islamic Fund (or its class) to be switched into. Switching Fee will not be charged if the Class or CIMB-Principal Islamic Fund (or its class) to be switched into has a lower Application Fee. In addition, you may be charged administrative fee for each switch. Please refer to the Annexure 1 of the respective Class for further information.

2.1.4. Transfer Fee

You may be charged a Transfer Fee for each transfer. Please refer to the Annexure 1 of the respective Class for further information.

2.2. FEES AND EXPENSES

All fees and expenses of the Fund will generally be apportioned to each Class currently available for sale based on the MCR except for Management Fee and those that are related to the specific Class only, such as, the cost of Unit holders meeting held in relation to the respective Class. If in doubt, you should consult professional advisers for better understanding.

The following describes the fees that you may **indirectly** incur when you invest in the Fund.

2.2.1. Management Fee

Please note that the Management Fee is charged to the respective Class at the Class level, based on the NAV of the Class. Please refer to the Annexure 1 of the respective Class for further information. The Management Fee shall be accrued daily and paid monthly.

Below is an illustration on how the Management Fee is calculated, assuming Management Fee of 0.25% per annum and MYR 150 million each for both Class ABC and Class XYZ:-

	Class ABC (Denominated in USD) (MYR)	Class XYZ (Denominated in MYR) (MYR)
Annual Management Fee	0.25% per annum	0.25% per annum
NAV of the class	MYR 150 million	MYR 150 million
Management Fee for the day = NAV of the class x Management Fee rate for the class (%) / 365 days	 = MYR 150 million x 0.25% / 365 = MYR 1,027.40	 = MYR 150 million x 0.25% / 365 = MYR 1,027.40

Note: In the event of a leap year, the computation will be based on 366 calendar days.

2.2.2. Trustee Fee

The Trustee is entitled to a fee of up to 0.02% per annum of the Fund's NAV. The Trustee Fee shall be accrued daily based on the NAV of the Fund and be paid monthly.

Below is an illustration on how the Trustee Fee is calculated:

Trustee Fee for the day = NAV of the Fund x annual Trustee Fee rate for the Fund (%) / 365 days

If the NAV of the Fund is RM 150 million, then
Trustee Fee for the day = RM 150 million x 0.02% / 365 days
= RM 82.19

Note: In the event of a leap year, the computation will be based on 366 calendar days.

All fees and charges payable by the Fund are subject to any applicable taxes and/or duties as may be imposed by the government or other authorities (if any) from time to time. As a result of changes in any rule, regulation, directive, notice and/or law issued by the government or relevant authority, there may be additional cost to the fees, expenses, charges and/or taxes payable to and/or by the Fund or you as disclosed or illustrated above.

2.2.3. Other expenses

The Deed also provides for payment of other expenses. The major expenses recoverable directly from the Fund include:

- expenses incurred in the transaction costs of placement in Islamic Deposits;
- expenses incurred in printing of, the purchasing of stationery and postage for the annual and interim reports;
- tax and other duties imposed by the government and other authorities, and bank fees;
- fees and other expenses incurred by the auditor and tax agent;
- costs incurred in modifying the Deed other than for our benefit or Trustee's;
- costs of convening and holding meetings of Unit holders (other than those meetings convened for our benefit or Trustee);
- all costs and/or expenses associated with the distributions such as fees, costs and/or expenses for the revalidation or reissuance of any distribution cheque or distribution warrant or telegraphic transfer; and
- any other fees/expenses permitted in the Deed.

We and the Trustee are required to ensure that any fees or charges payable are reasonable and in accordance with the Deed which stipulates the maximum rate in percentage terms that can be charged. We will ensure that there is no double charging of management fee to be incurred by you when you invest in the Fund. All expenses of the Fund will generally be apportioned to each Class based on the MCR except for those that are related to the specific Class only, such as, the cost of Unit holders meeting held in relation to the respective Class. If in doubt, you should consult professional advisers for better understanding.

You should note that we may alter the fees and charges (other than the Trustee Fee) within such limits, and subject to such provisions, as set out in the Deed.

You should note that we may, for any reason at any time, where applicable, waive or reduce the amount of any fees (except the Trustee Fee) or other charges payable by you in respect of the Fund, either generally (for all Sophisticated Investors) or specifically (for any particular Sophisticated Investor or a group of Sophisticated Investors) and for any period or periods of time at our absolute discretion.

Expenses not authorised by the Deed must be paid by us or the Trustee out of our own funds if incurred for our own benefit.

2.3. REBATES AND SOFT COMMISSIONS

We, the Sub-Manager and the Trustee will not retain any form of rebate or soft commission from, or otherwise share in any commission with, any broker in consideration for directing dealings in the investments of the Fund unless the soft commission received is retained in the form of goods and services such as stock quotations system incidental to investment management of the Fund. All dealings with brokers are executed on most favourable terms for the Fund.

There are fees and charges involved and you are advised to consider them before investing in the Fund.

All fees and charges payable by you and/or the Fund are subject to any applicable taxes and/or duties as may be imposed by the government or other authorities (if any) from time to time. As a result of changes in any rule, regulation, directive, notice and/or law issued by the government or relevant authority, there may be additional cost to the fees, expenses, charges and/or taxes payable to and/or by the Fund or you as disclosed or illustrated in the Information Memorandum.

If the transactions are made by 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit for that Business Day. For transactions made after 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit on the next Business Day.

We will carry out the valuation of the Classes for each Business Day at the end of that Business Day (T day). The NAV per unit for a Business Day is available on our website at <http://www.cimb-principalislamic.com> after 10:00 a.m. on the following Business Day (T+1).

After the initial offer period, the Fund must be valued at least once every Business Day. The method of determining NAV per Unit is calculated as follows:

$$\text{NAV per Unit} = \frac{\text{NAV}}{\text{Number of units in issue}}$$

The NAV of the Fund is the sum of the value of all investments and cash held by the Fund (calculated in accordance with the Deeds) including income derived by the Fund which has not been distributed to you, less all amounts owing or payable in respect of the Fund which also includes any provisions that may be made by us and the Trustee. For example, a provision may be made for possible future losses on an investment which cannot be fairly determined.

The valuation of the Fund is in the base currency i.e. MYR. As such, all the assets and liabilities of each Class will be translated into MYR for valuation purposes. The foreign exchange rate used for this purpose shall be the bid exchange rate quoted by Bloomberg or Reuters at UK time 4:00 p.m. at the same day (Malaysia time 11:00 p.m. or 12:00 a.m.), or such other time as we may determine or as per the Investment Management Standards issued by the FIMM. The NAV per unit of each Class will be the NAV of the Fund attributable to each Class divided by the number of units in circulation of that Class, at the same valuation point.

Multi-class Ratio (MCR)

MCR is the apportionment of the NAV of each Class over the Fund's NAV based on the size of each Class. The MCR is calculated by dividing the NAV (in MYR) of the respective Class by the NAV of the Fund before income and expenses for the day. The apportionment is expressed as a ratio and calculated as a percentage.

Below is an illustration on computation of the NAV of the Fund:

	Fund (MYR)	Class ABC (Denominated in USD) (MYR)	Class XYZ (Denominated in MYR) (MYR)
NAV of the Fund before income and expenses	185,942,897	173,342,897	12,600,000

NAV of the Fund before income and expenses	185,942,897	185,942,897
	= 93.22%	= 6.78%

⁽²⁾ Apportionment based on MCR is as follows:

		Class ABC (Denominated in USD) (MYR)	Class XYZ (Denominated in MYR) (MYR)
Add: Income	30,000	MCR x Income = Income for Class ABC = 93.22% x MYR 30,000 = MYR 27,966	MCR x Income = Income for Class XYZ = 6.78% x MYR 30,000 = MYR 2,034
Less: Expenses	(10,000)	MCR x Expenses = Expenses for Class ABC = 93.22% x MYR 10,000 = MYR 9,322	MCR x Expenses = Expenses for Class XYZ = 6.78% x MYR 10,000 = MYR 678

Note: Please note the above is for illustration purpose only. NAV per unit is truncated to four (4) decimal places.

3.3. INCORRECT PRICING

We shall take immediate remedial action to rectify any incorrect valuation and/or pricing of the Fund. Where such error has occurred, we shall reimburse the money in the following manner:

- a) in the event of over valuation and/or pricing, we shall reimburse:
 - i. the Fund for any redemption of units; and/or

You are advised not to make payment in cash to any individual agent when purchasing units of a fund.

3.5.1. Processing an application

If we receive a complete application by 4:00 p.m. on a Business Day, we will process it using the NAV per unit for that Business Day. If we receive the application after 4:00 p.m. on a Business Day, we will process it using the NAV per unit for the next Business Day. We will only process the completed applications with all the necessary information. The number of units that you receive will be rounded down to two (2) decimal places.

3.6. MINIMUM WITHDRAWALS

The minimum withdrawal amount for each Class may differ and may be determined by us from time to time, unless you are withdrawing your entire investment. Please refer to the Annexure 1 of the respective Class for further information. You may withdraw by completing a redemption form and sending it to our head office or the relevant Distributor. There is no restriction on the frequency of withdrawals. We will transfer the withdrawal proceeds to your bank account (or foreign currency bank account, as the case may be) in our records. If we wish to increase the minimum withdrawal amount, we will consult with the Trustee and you will be notified of such changes before implementation.

You will be paid in the currency of the Class (e.g. Class MYR will be paid in MYR) within three (3) Business Days of receipt of the complete withdrawal request. You will have to bear the applicable bank fees and charges, if any. For a withdrawal amount greater than RM30 million, you are required to provide us with a written notice (electronically or otherwise) of minimum seven (7) Business Days of such intention to withdraw to enable us to process the withdrawal.

3.7. MINIMUM BALANCE

The minimum balance that must be retained in your account for each Class may differ and may be determined by us from time to time. Please refer to Annexure 1 of the respective Class for further information. If the balance (i.e. number of units) of an investment drops below the minimum balance units, further investment will be required until the balance of the investment is restored to at least the stipulated minimum balance. Otherwise, we may withdraw your entire investment and forward the proceeds to you. If we wish to increase the minimum balance amount, we will consult with the Trustee and you will be notified of such changes before implementation. However, you should note that we may, for any reason at any time, where applicable, reduce the minimum balance, either generally (for all Sophisticated Investors) or specifically (for any particular Sophisticated Investor or a group of Sophisticated Investors) without prior notice to you.

3.8. COOLING-OFF PERIOD

You have six (6) Business Days after your initial investment (i.e. from the date the application form is received and accepted by us or any of our Distributors) to reconsider the appropriateness and suitability for your investment needs. Within this period, you may withdraw your investment at the same NAV per unit when the units were purchased. We will refund the investment amount including Application Fee (if any) to you in the currency of the respective Class within ten (10) days from the date we receive the complete documentations. Please note that the cooling-off right is only given to first time investor investing with us or our Distributors. However, CIMB-Principal Islamic's staff and person(s) registered to deal in unit trust of CIMB-Principal Islamic or any of our Distributors are not entitled to the cooling-off right. Corporate client such as company, corporation, co-operative or institutions investing in the Fund are also not entitled to the cooling-off right.

You may contact our **Institutional and International Sales** at **(603) 2084 8888** for more information on the availability of switching. Please also refer to the Annexure 1 of the respective Class for further information.

To switch, simply complete a switch request form and send to our head office (Institutional and International Sales) or the relevant Distributor. Currently, there is no restriction on the frequency of switches. However, we have the discretion to allow or to reject any switching into (or out of) the Fund or Class, either generally (for all Sophisticated Investors) or specifically (for any particular Sophisticated Investor or a group of Sophisticated Investors).

3.9.1. Processing a switch

We process a switch as a withdrawal from one fund or class and an investment into another fund or class. If we receive a complete switch request by 4:00 p.m. on a Business Day, we will process the switch out using the NAV per unit for that Business Day. If we receive the request after 4:00 p.m. on a Business Day, we will process the switch out using the NAV per unit for the next Business Day.

3.10. TRANSFER FACILITY

You are allowed to transfer your holdings to an eligible Sophisticated Investor subject to such terms and conditions stipulated in the Deed. However, we may refuse to register any transfer of unit at our absolute discretion. You may be subjected to Transfer Fee for each transfer. Please refer to the Annexure 1 of the respective Class or further information.

3.11. DISTRIBUTION PAYMENT

Depending on the distribution policy of the respective Class, distribution (if any) will be made at the end of each distribution period to the Classes according to its distribution policy. Each unit of the Class will receive the same distribution for a distribution period regardless of when those units were purchased. The distribution amount you will receive is in turn calculated by multiplying the total number of units held by you in the Class by the cent per unit distribution amount. On the distribution date, the NAV per unit will adjust accordingly. For more information on the distribution policy of each Class, please see Annexure 1 of the respective Class.

All distributions (if any) will be automatically reinvested into additional units in the Class at the NAV per unit on the distribution date (the number of units will be rounded down to two (2) decimal places), unless written instructions to the contrary are communicated to us, in which you should have first furnished us with details of your bank account in the currency denomination of that Class, that all distribution payment shall be paid into (the cost and expense will be borne by you). No Application Fee is payable for the reinvestment.

If units are issued as a result of the reinvestment of a distribution or other circumstance after you have withdrawn your investment from the Class, those additional units will then be withdrawn and the proceeds will be paid to you.

You should note that distribution payments, if any, will be made in the respective currency for the Class(es). As such, the distribution amount may be different for each Class as a result of exchange rate movement between the base currency of the Fund and the denominated currency of the Class(es). The distribution will be paid into your bank account (which shall be in the respective currency of the Class(es)) in our records (at your cost and expense).

Note: Please note that for Class(es) that provide distribution, we have the right to make provisions for reserves in respect of distribution of the Class. If the income available is too small or insignificant, any distribution may not be of benefit to you as the total cost to be incurred in any such distribution may be higher than the amount for distribution. We have the discretion to decide on the amount to be distributed to you. We also have the discretion to make income distribution on an ad-hoc basis, taking into consideration the level of its realised income and/or realised gains, as well as the performance of the Fund.

3.12. UNCLAIMED MONEYS

Any moneys payable to you which remain unclaimed after twelve (12) months as prescribed by Unclaimed Moneys Act 1965 ("UMA"), as may be amended from time to time, will be surrendered to the Registrar of Unclaimed Moneys by us in accordance with the requirements of the UMA. Thereafter, all claims need to be made by you with the Registrar of Unclaimed Moneys.

However, for income distribution payout to you by cheque, if any, which remains unclaimed for six (6) months will be reinvested into the Fund within thirty (30) Business Days after the expiry of the cheque's validity period based on the prevailing NAV per unit on the day of the reinvestment provided that you still hold units of the Class. As for income distribution payout by bank transfer, if any, shall be transmitted to your valid and active bank account. If the bank transfer remained unsuccessful and unclaimed for six (6) months, it will be reinvested into the Class within thirty (30) Business Days after the six (6) months period based on the prevailing NAV per unit on the day of the reinvestment provided that you still holds units of the Class. No Application Fee is payable for the

reinvestment. In the event that you no longer hold any unit in the Class, the distribution money would be subject to the treatment mentioned in the above paragraph as prescribed by the UMA.

Unit prices and distributions payable, if any, may go down as well as up.

We have the discretion to amend the amount, rate and/or terms and conditions of the transaction information herein, subject to the requirements stipulated in the Deed. Where necessary, we will notify the Trustee and communicate to you on the amendments to the transaction information.

Each unit held by you in the Fund represents an equal undivided beneficial interest in the assets of the Fund. We (including our directors) will at all time act in your best interests and will not conduct ourselves in any manner that will result in a conflict of interest or potential conflict of interest. In the unlikely event that any conflict of interest arises, such conflict shall be resolved so that the Fund is not disadvantaged. In the unlikely event that we face conflicts in respect of our duties as Manager to the Fund and to other CIMB-Principal Islamic's Funds that we manage, we are obliged to act in the best interests of all our investors and will seek to resolve any conflicts fairly and in accordance with the Deed.

Cross trades will be reported to the Investment Committee to ensure compliance to the relevant regulatory requirements.

As for the Trustee for the Fund, there may be related party transactions involving or in connection with the Fund in the following events:

The Trustee has in place policies and procedures to deal with any conflict of interest situation, if any. The Trustee will not make improper use of its position as the owner of the Fund's assets to gain, directly or indirectly, any advantage or cause detriment to the interests of Unit holders. Any related party transaction is to be made on terms which are best available to the Fund and which are not less favourable to the Fund than an arms-length transaction between independent parties.

Subject to any local regulations, the Trustee and/or its related group of companies may deal with each other, the Fund or any unit holder or enter into any contract or transaction with each other, the Fund or any form of such contract or transaction or act in the same or similar capacity in relation to any other scheme.
