Investment Policy and Strategy

The Fund may invest up to 99.5% of the Fund's NAV in Shariah-compliant equity securities of companies that are listed on Bursa Malaysia and the remaining NAV may be invested in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits for liquidity management purposes. Generally, the Fund will focus on Shariah-compliant equity securities of companies with long-term capital growth. The Fund may opt to seek investment exposure via Islamic CIS that is in line with the Fund's objective, subject to the requirements of the GLOLA. In addition, Islamic liquid assets may be strategically used if we feel that the market downside risk is high in the short term. Asset allocation decisions are guided by prevailing market conditions and the Manager's assessments.

The asset allocation strategy for this Fund is as follows:

- up to 99.5% of the Fund's NAV will be invested in Shariah-compliant equity securities; and
- at least 0.5% of the Fund's NAV in Islamic liquid assets and Islamic derivatives (for hedging purposes).

In times of adverse conditions and as part of its risk management strategy, we may from time to time reduce holdings in longer tenured assets and increase the Fund's asset allocation to Islamic liquid assets such as cash (refers to current account) and/or placement of Islamic Deposits to safeguard the investment portfolio of the Fund. When deemed necessary, we may also utilise Islamic derivative instruments for hedging purposes.

The Fund adopts a liquidity risk management which sets out the governance standards, methodology and process for the oversight and management of liquidity risk. The framework outlines the responsibilities to assess and monitor liquidity risk of the Fund, and to ensure appropriate measures are taken to mitigate the risk.

The liquidity risk management that we have put in place is as follows:

- Regular review by the designated fund manager on the Fund's investment portfolio to maintain healthy liquidity level.
- Periodic assessments are carried out on the Fund's liquidity profile (under both normal and stress market conditions) and on the concentration of Unit holders. These assessments allow the Fund to be proactively managed to mitigate liquidity concerns that may arise in the ordinary course of portfolio management as well as in relation to the Fund's ability to meet Unit holders' withdrawal requests.
- If needed, the Fund may obtain cash financing for the purpose of meeting withdrawal requests and for short-term bridging requirements.
- Suspension of withdrawal requests due to exceptional circumstances. During the suspension period, withdrawal requests will not be accepted and in the event, we have earlier accepted the withdrawal requests prior to the suspension is declared, the withdrawal requests will be dealt on the next Business Day once the suspension is lifted. The action to suspend withdrawal requests from Unit holders shall be exercised only as a last resort by the Manager.

1.7.2 CLEANING PROCESS FOR THE FUND

In the event the following investment instances occur in the Funds, the rules below shall be executed by Manager or its fund management delegate:

a) Wrong Investment

(i) Investment in listed and unlisted Shariah non-compliant equity securities and Shariah non-compliant equity-related securities

This refers to Shariah non-compliant investment made by the Manager. The said investment shall be disposed of or withdrawn with immediate effect, if possible, or otherwise within one (1) calendar month of knowing the status of the investment. In the event that the investment resulted in Shariah non-compliant income received before or after the disposal or withdrawal of the investment, it has to be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser. The Fund has a right to retain only the investment cost. The Shariah Adviser advises that this cleansing process (namely, channelling of income from wrongful investment to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser) shall be carried out within three (3) calendar months upon the confirmation by the Shariah Adviser. If the disposal or withdrawal of the investment resulted in losses to the Fund, the losses are to be borne by the Manager.

(ii) Investment in other Shariah non-compliant instruments (namely, money market instruments, deposits or CIS)

Investment in listed and unlisted Shariah non-compliant equity securities and Shariah non-compliant equity-related securities

This refers to Shariah non-compliant investment made by the Manager. The said investment shall be disposed of or withdrawn with immediate effect, if possible, or otherwise within one (1) calendar month of knowing the status of the investment. In the event that the investment resulted in Shariah non-compliant income received before or after the disposal or withdrawal of the investment, it has to be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser. The Fund has a right to retain only the investment cost. The Shariah Adviser advises that this cleansing process (namely, channelling of income from wrongful investment to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser) shall be carried out within three (3) calendar months upon the confirmation by the Shariah Adviser. If the disposal or withdrawal of the investment resulted in losses to the Fund, the losses are to be borne by the Manager.

b) Reclassification of Shariah Status of the Fund's Investments

(i) Listed and unlisted Shariah-compliant equity securities and Shariah-compliant equity-related securities

Reclassification of Shariah status refers to securities which were earlier classified as Shariah-compliant securities but due to failure to meet the set benchmark criteria, are subsequently reclassified as Shariah non-compliant by the SAC of the SC or the Shariah Adviser. If on the reclassification effective date, the market price of the securities held exceeds or is equal to the investment cost, the Fund which holds such Shariah non-compliant securities must liquidate them. To determine the time frame to liquidate such securities, the Shariah Adviser advises that such securities should be disposed of or withdrawn within three (3) calendar months of reclassification.

Any dividends received up to the reclassification effective date and capital gains arising from the disposal or withdrawal of the said reclassified Shariah non-compliant securities made with respect to the closing price on the reclassification effective date can be kept by the Fund. However, any dividends received, and excess capital gains derived from the disposal or withdrawal after the reclassification effective date at a market price that is higher than the closing price on the reclassification effective date shall be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser. The Shariah Adviser advises that this cleansing process should be carried out within three (3) calendar months upon the confirmation by the Shariah Adviser.

The Fund is allowed to hold the Shariah non-compliant securities if the market price of the said securities is below the investment cost. It is also permissible for the Fund to keep the dividends received during the holding period until such time when the total amount of the dividends received and the market value of the Shariah non-compliant securities held equal the investment cost. At this stage, the Fund is advised to dispose or withdraw their holdings. In addition, during the holding period, the Fund is allowed to subscribe to:

- any issue of new securities by a company whose Shariah non-compliant securities are held by the Fund such as rights issues, bonus issues, special issues and warrants [excluding securities whose nature is Shariah non-compliant such as irredeemable convertible unsecured loan stock (ICULS)]; and
- securities of other companies offered by the company whose Shariah non-compliant securities are held by the Fund,

on conditions that the Fund expedites the disposal or withdrawal of the Shariah non-compliant securities. For securities of other companies [as stated in the second bullet above], they must be Shariah-compliant securities.

(ii) Islamic money market instruments, Islamic Deposits or Islamic CIS

This refers to the instruments which were earlier classified as Islamic money market instruments, Islamic Deposits or Islamic CIS but due to certain factors such as changes in the issuers' business direction and policy or failure to carry out proper Shariah contracts' transactions, which render the instruments Shariah non-compliant by the relevant authority or the Shariah Adviser. If this occurs, the Manager will take the necessary steps to dispose of or withdraw such money market instruments, deposits or CIS.

If on the reclassification effective date, the value of the Shariah non-compliant instruments held exceeds or is equal to the investment cost, the Fund which holds such Shariah non-compliant instruments must liquidate them. To determine the time frame to liquidate such instruments, the Shariah Adviser advises that such reclassified Shariah non-compliant instruments should be disposed of or withdrawn within three (3) calendar months of reclassification.

Any income received up to the reclassification effective date and capital gains arising from the disposal or withdrawal of the said reclassified Shariah non-compliant instruments made on the reclassification effective date can be kept by the Fund.

However, any income received, and excess capital gain derived from the disposal or withdrawal after the reclassification effective date at a price that is higher than the price on the reclassification effective date shall be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser. The Shariah Adviser advises that this cleansing process should be carried out within three (3) calendar months upon the confirmation by the Shariah Adviser.

The Fund is allowed to hold the Shariah non-compliant instruments if the market price of the said instruments is below the investment cost. It is also permissible for the Fund to keep the income received during the holding period until such time when the total amount of the income received, and the market value of the Shariah non-compliant instruments held equal the investment cost. At this stage, the Fund is advised to dispose of or withdraw their holdings. In addition, during the holding period, the Fund is allowed to subscribe to:

- any issue of new Shariah-compliant instruments by the issuer of the Shariah non-compliant instruments are held by the Fund; and
- Shariah-compliant instruments of other issuer offered by the issuer of the Shariah non-compliant instruments are held by the Fund,

on conditions that the Fund expedites the disposal or withdrawal of the Shariah non-compliant instruments.

a) Aspiration 3: Clarity and Transparency Principle 8: Enhancing Disclosure and Documentation

The Fund ensures quality disclosure and documentation of information by providing comprehensive and accurate details regarding its investments in this Information Memorandum as well as the performance of the Fund through the periodic Fund's reports. Through these channels, Unit holders are able to access insights into the Fund's performance, enabling them to make informed decision. This commitment to transparency also ensures a clear understanding of the Fund's trajectory and potential opportunities.

b) Aspiration 5: Fiduciary and Accountability
Principle 11: Upholding Fiduciary Duty with Utmost Good Faith

The Manager shall exercise the degree of care and diligence in managing the Fund and effectively employ the resources to ensure that the Fund complies with the relevant SC's rules and regulations including the Shariah requirements. With regard to the investments of the Fund, the Manager has a duty to carefully select and assess the Shariah-compliant investment instruments, conduct thorough due diligence particularly prior to the investment and monitor the performance of investments at all times to safeguard the interests of the Unit holders.

c) Aspiration 6: Accessibility and Inclusivity
Principle 13: Broadening the Circulation of Wealth and Participation

Investing in Shariah-compliant equity securities, Islamic money market instruments, Islamic Deposits and Islamic CIS enhances financial inclusion by offering a diverse range of Shariah-compliant investment options that cater to investors with different risk appetites and investment horizons. These instruments provide accessible opportunities to participate in the Islamic capital market, thereby supporting broader investor participation and fostering a more inclusive financial ecosystem. Ultimately, this approach promotes the circulation of wealth within the economy and reflects the Islamic finance principles of fairness, shared prosperity and equitable wealth distribution.

1.7.4 PAYMENT OF ZAKAT

This refers to the purification by way of payment of zakat by Muslims. The Fund does not pay zakat on behalf of Muslim Unit holders and Islamic legal entities. Thus, Unit holders are advised to pay zakat on their own.

1.7.5 PERIODIC REVIEW

The Shariah Adviser will review the Fund on periodic basis to ensure the Fund's operating procedures and investments comply with the Shariah principles. Upon completion of each review, the Shariah Adviser will deliver its opinion on the Shariah compliancy.

1.7.6 THE FUNDS' COMPLIANCE TO THE SHARIAH PRINCIPLES

The Shariah Adviser is of the view that, given the prevailing circumstances, the Fund and its respective investments as disclosed and presented in this Information Memorandum are acceptable and within the principles of Shariah, subject to proper execution of the legal documents and other transactions related to the Fund.

The investment portfolio of the Funds comprises instruments which have been classified as Shariah-compliant by the SAC of the SC and, where applicable the SAC of the BNM. For instruments that are not classified as Shariah-compliant by the SAC of the SC and, where applicable the SAC of BNM, the status of the instruments will be determined in accordance with the ruling of the Shariah Adviser and Shariah Investment Guidelines.

1.8. RISK FACTORS

1.8.1 GENERAL RISKS OF INVESTING IN THE FUND

Before investing, you should consider the following risk factors in addition to the other information set out in this Information Memorandum.

Returns and capital not guaranteed

The investment of the Fund is subject to market fluctuations and its inherent risk. There is **NO GUARANTEE** on the investment which includes your investment capital and returns, nor any assurance that the Fund's objective will be achieved. You should also note that the Fund is neither a capital guaranteed fund nor a capital protected fund. However, we reduce this risk by ensuring diligent management of the assets of the Fund based on a structured investment process.

Market risk

This risk refers to the possibility that an investment will lose value because of a general decline in financial markets, due to economic, political and/or other factors, which will result in a decline in the Fund's NAV.

Liquidity risk

Liquidity risk refers to the ease of liquidating an asset without causing market dislocation. This depends on the supply and demand as well as the asset's volume or amount traded in the market. If the Fund holds assets that are illiquid, assets that are difficult to dispose of, the value of the Fund and consequently the value of Unit holders' investment in the Fund may be negatively affected when the Fund has to sell such assets at unfavourable prices.

Inflation risk

This is the risk that your investment in the Fund may not grow or generate income at a rate that keeps pace with inflation. This would reduce your purchasing power even though the value of the investment in monetary terms has increased.

Manager risk

This risk refers to the day-to-day management of the Fund by the Manager which will impact the performance of the Fund. For example, investment decisions undertaken by the Manager, as a result of an incorrect view of the market or any non-compliance with internal policies, investment mandate, the Deed, relevant law or guidelines due to factors such as human error or weaknesses in operational process and systems, may adversely affect the performance of the Fund.

Financing risk

This risk occurs when you obtain financing to finance your investment. The inherent risk of investing with money obtained from financing includes you being unable to service the financing payments. In the event units are used as collateral and if the price of units falls below a certain level due to market conditions, you may be required to pay an additional amount on top of your existing instalment. If you fail to do so within the time prescribed, your units may be sold at an unfavourable price and the proceeds thereof will be used towards the settlement of your financing.

Please note that financing is not encouraged. The Manager does not provide financing for the purchase of units of the Fund.

Shariah non-compliance risk

This risk refers to the possibility that the Fund may not conform to Shariah Investment Guidelines, either:

- a) due to management error that resulted in the Fund investing in a Shariah non-compliant instrument; or
- b) because an instrument which was Shariah-compliant at the time of investment was subsequently reclassified as Shariah non-compliant by the relevant authority or the Shariah Adviser.

In the event of such non-compliance, the Manager will take the necessary steps to dispose of the affected investment.

Where the non-compliance arose from a management error, any losses incurred from the disposal of the investment will be borne by the Manager.

However, where the non-compliance arose from the reclassification of Shariah status of an investment that was Shariah-compliant at the time of acquisition, any losses incurred from the disposal of the investment will be borne by the Fund.

Where applicable, any gains from the disposal of the investment shall be channelled to *baitulmal* and/or charitable bodies as advised by the Shariah Adviser.

Please refer to page 2 for more information on Shariah Investment Guidelines.

1.8.1 SPECIFIC RISKS RELATED TO THE FUND**Stock specific risk**

Prices of a particular stock may fluctuate in response to the circumstances affecting individual companies such as adverse financial performance, news of corporate action or loss of key personnel of a company. Any adverse price movements of such stock will adversely affect the Fund's NAV.

Risk associated with investing in Islamic CIS

For any investments into Islamic CIS, the Islamic CIS's management company has absolute discretion over the Islamic CIS's investment technique and knowledge, operational controls and management. In the event of mismanagement of the Islamic CIS, this may negatively impact the value of the Islamic CIS, and consequently the value of the Fund. Should the situation arise, we will seek for another Islamic CIS that is consistent with the objective of this Fund.

The above summary of risks does not purport to be an exhaustive list of all the risk factors relating to the investments in the Fund and are not set out in any particular order of priority. You should be aware that investments in the Fund may be exposed to other risks from time to time. Please consult your professional advisers for a better understanding of the risks.

2. FEES, CHARGES AND EXPENSES

2.1 CHARGES

The following describes the charges that you may **directly** incur when you buy or withdraw units.

2.1.1 Application Fee

Nil.

2.1.2 Withdrawal Penalty

2.1.3 Switching Fee

Switching is treated as a withdrawal from a Class and an investment into another Class or Principal Islamic Malaysia's fund (or its class(es)). You may be charged a Switching Fee equal to the difference (if any) between the Application Fee of the Class and the Application Fee of the other Class or Principal Islamic Malaysia's fund (or its class(es)) to be switched into. Switching Fee will not be charged if the Class or Principal Islamic Malaysia's fund (or its class(es)) to be switched into has a lower Application Fee than the Application Fee of the Class. In addition, you may be charged administrative fee for each switch. Please refer to the Annexure of the respective Class for further information.

2.1.4 Transfer Fee

You may be charged a Transfer Fee for each transfer. Please refer to the Annexure of the respective Class for further information.

If in doubt, you should consult professional advisers for a better understanding.

The following describes the fees that you may **indirectly** incur when you invest in a Class.

2.2.1 Management Fee

Please note that the Management Fee is charged to the respective Class, based on the NAV of the Class. Please refer to the Annexure of the respective Class for further information. The Management Fee shall be accrued daily and paid monthly.

Below is an illustration on how the Management Fee is calculated, assuming the Management Fee of 1.00% per annum and the NAV of MYR 150 million each for both Class ABC and Class XYZ:

	Class ABC (Denominated in USD) (MYR)	Class XYZ (Denominated in MYR) (MYR)
Management Fee	1.00% per annum	1.00% per annum
NAV of the class	MYR 150 million	MYR 150 million
Management Fee for the day		
= NAV of the class x	= MYR 150 million x 1.00% / 365 days	= MYR 150 million x 1.00% / 365 days
Management Fee rate for the class (%) / 365 days	= MYR 4,109.59	= MYR 4,109.59

Note: In the event of a leap year, the computation will be based on 366 calendar days.

2.2.2 Trustee Fee

Please note that the Trustee Fee (including local custodian fee but excluding foreign sub-custodian fees and charges) charged to the Fund is based on the NAV of the Fund. The Trustee Fee shall be accrued daily and paid monthly.

The Trustee Fee is 0.045% per annum of the NAV of the Fund.

Below is an illustration on how the Trustee Fee is calculated, assuming the NAV of the Fund is MYR 150 million:

Trustee Fee for the Fund = 0.045% per annum
Trustee Fee for the day = NAV of the Fund x Trustee Fee rate for the Fund (%) / 365 days
= MYR 150 million x 0.045% / 365 days
= MYR 184.93

Note: In the event of a leap year, the computation will be based on 366 calendar days.

3. TRANSACTION INFORMATION

3.1 VALUATION OF INVESTMENTS PERMITTED BY THE FUND

We will ensure that all the assets of the Fund are valued in a fair manner. The assets of the Fund are valued as follows:

- **Listed Shariah-compliant securities**
The value of any Shariah-compliant securities, which are quoted on an exchange, shall be calculated daily by reference to the last exchange closing prices. If the closing price does not represent the fair value of the Shariah-compliant securities, then the Shariah-compliant securities shall be valued at fair price as determined in good faith by us, based on the methods or bases approved by the Trustee after appropriate technical consultation, such as the mean of bid and offer prices at the close of trading. Suspended Shariah-compliant securities will be valued at their last done price unless there is conclusive evidence to show that the value has gone below the suspended price or where the quotation of the Shariah-compliant securities has been suspended for a period exceeding fourteen (14) days or such shorter period as agreed by the Trustee, then the Shariah-compliant securities should be valued at fair value as determined in good faith by us based on the methods or bases approved by the Trustee after appropriate technical consultation.
- **Unlisted Shariah-compliant equities**
The valuation of Shariah-compliant equities not listed or quoted on a stock exchange but have been approved by the relevant regulatory authority for such listing or quotation and are offered directly to the Fund by the issuer shall be valued daily at the issue price of such Shariah-compliant equities. The value will be determined by the issuer that issued the instrument.
- **Islamic CIS**
The value of any investment in Islamic CIS which is quoted on an approved exchange shall be calculated daily in the same manner as other listed Shariah-compliant securities described above. When investing in unlisted Islamic CIS, the value shall be determined daily by reference to the last published repurchase/redemption NAV per unit for that Islamic CIS.
- **Islamic money market instruments**
Investment in Islamic money market instruments are valued each day by reference to the quotes provided by independent and reputable pricing source(s), which is deemed fair value, includes but not limited to a BPA registered with the SC. Where the quotes are provided by financial institutions, the valuation of the Islamic money market instruments will be based on the average of bid and offer prices quoted by three (3) independent and reputable financial institutions of similar standing at the close of trading. The valuation method is verified by the auditor and approved by the Trustee.
- **Islamic Deposits**
The value of Islamic Deposits shall be determined each day by reference to the principal value of such Islamic Deposits and the accrued profit thereon for the relevant period.
- **Unlisted Islamic derivative instruments**
For unlisted Islamic derivative instruments, we shall ensure that the valuation of the investment is valued daily at a fair value as determined in good faith by us, based on methods or bases which have been verified by the auditor of the Fund and approved by the Trustee.

3.2 UNIT PRICING

We adopt a single pricing method for any transactions (i.e. applications, withdrawals, switches and/or transfers) based on forward prices. This means that we will process your transactions request based on the NAV per unit at the next valuation point after we receive the completed relevant application from you.

If the transactions are made by 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit on the same Business Day. For transactions made after 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit on the next Business Day.

We will carry out the valuation for the Classes for a Business Day at the end of that Business Day (T). The NAV per unit for a Business Day is available on our website at www.principalislamic.com after 10:00 a.m. on the following Business Day (T+1).

After the initial offer period, the Fund must be valued at least once every Business Day. The method of determining NAV per unit of the Class is calculated as follows:

$$\text{NAV per unit of the Class} = \frac{\text{NAV of the Class}}{\text{Number of units in issue of the Class}}$$

The NAV of the Fund is the sum of the value of all investments and cash held by the Fund (calculated in accordance with the Deed) including income derived by the Fund which has not been distributed to you, less all amounts owing or payable in respect of the Fund which also includes any provisions that may be made by us and the Trustee. For example, a provision may be made for possible future losses on an investment which cannot be fairly determined.

The valuation of the Fund is in the base currency of the Fund i.e. MYR. The NAV per unit of each Class will be the NAV of the Fund attributable to each Class divided by the number of units in circulation of that Class, at the same valuation point.

3.2.1 Multi-class Ratio (MCR)

MCR is the apportionment of the NAV of each Class over the Fund's NAV based on the size of each Class. The MCR is calculated by dividing the NAV ((in MYR) of the respective Class by the NAV of the Fund before income and expenses for the day. The apportionment is expressed as a ratio and calculated as a percentage.

Below is an illustration on computation of the NAV of the Fund:

	Fund (MYR)	Class ABC (Denominated in USD) (MYR)	Class XYZ (Denominated in MYR) (MYR)

3.3 INCORRECT PRICING

We shall take immediate remedial action to rectify any incorrect valuation and/or pricing of the Class. Where such error has occurred, we shall reimburse the money in the following manner:

- a) in the event of over valuation and/or pricing, we shall reimburse:
 - (i) the Class for any withdrawal of units; and/or
 - (ii) you, if you have purchased units of the Class at a higher price; or
- b) in the event of under valuation and/or pricing, we shall reimburse:
 - (i) the Class for any subscription of units; and/or
 - (ii) you, if you have withdrawn units of the Class at a lower price.

Notwithstanding the above, unless the Trustee otherwise directs, we shall make the reimbursement only where an incorrect pricing:

- a) is equal to or more than 0.50% of the NAV per unit; and
- b) results in a total sum of MYR10.00 (or in the case of a foreign currency Class, 10.00 denominated in the foreign currency denomination of the Class) or more to be reimbursed to a Unit holder for each sale or withdrawal transaction.

We shall have the right to amend, vary or revise the aforesaid limits from time to time, subject to any regulatory or governing body's requirements.

3.4.1. Who can invest?

You are eligible to invest in the Fund if you are a Sophisticated Investor who is:

We also have the right to withdraw all units held by you in the event we are of the opinion that such withdrawal is necessary to ensure that we comply with any relevant laws, regulations and guidelines. We will first notify you before making any such compulsory withdrawal of your units.

3.5 MINIMUM INVESTMENTS

The minimum initial and additional investment for each Class may differ and may be determined by us from time to time. Please refer to the Annexure of the respective Class for further information.

If we receive and accepted the application after 4:00 p.m. on a Business Day, we will process it using the NAV per unit for the next Business Day (T+1). We will only process the complete applications, i.e. when we have received all the necessary and required information and/or documentations. The number of units you receive will be rounded to two (2) decimal places.

3.6 MINIMUM WITHDRAWALS

The minimum withdrawal amount for each Class may differ and may be determined by us from time to time, unless you are withdrawing your entire investment. Please refer to the Annexure of the respective Class for further information. You may withdraw by completing a withdrawal application and submit it to the relevant Distributor or Principal Islamic Malaysia's offices. There is no restriction on the frequency of withdrawals. We will transfer the withdrawal proceeds to your bank account (or foreign currency bank account, as the case may be) provided by you.

If we receive the withdrawal request after 4:00 p.m. on a Business Day, we will process it using the NAV per unit for the next Business Day. The amount that you will receive is calculated by the withdrawal value less the Withdrawal Penalty, if any.

Under normal circumstances, you will be paid in the currency of the Class (e.g. Class USD Unit holders will be paid in USD) within seven (7) Business Days upon our receipt of the complete withdrawal request. You will have to bear the applicable bank fees and charges, if any.

3.7 MINIMUM BALANCE

The minimum balance that must be maintained in your account for each Class may differ and may be determined by us from time to time. Please refer to the Annexure of the respective Class for further information. If the balance (i.e. number of units) of an investment drops below the minimum balance units, further investment will be required until the balance of the investment is restored to at least the stipulated minimum balance. Otherwise, we can withdraw your entire investment and forward the proceeds to you.

3.8 COOLING-OFF PERIOD

Individual Sophisticated Investors have six (6) Business Days after your initial investment (i.e. the date the complete application is received and accepted by us or our Distributors) to reconsider its appropriateness and suitability for your investment needs. Within this period, you may withdraw your investment at the same NAV per unit when the units were purchased or prevailing NAV per unit at the point of cooling-off (whichever is lower) ("Refund Amount"). We will pay the Refund Amount including the Application Fee (if any) to you in the currency of the respective Class within seven (7) Business Days from the date we receive the complete documentations. Please note that the cooling-off right is only given to first time investor investing with us or our Distributors. However, Principal Islamic Malaysia's staff or a person registered with a body approved by the SC to deal in unit trust funds are not entitled to the cooling-off right.

3.9 SWITCHING

We process a switch between the Classes of the Fund or between a Class and other Principal Islamic Malaysia's fund (or its class(es)), which should be denominated in the same currency. You may contact our Customer Care Centre for more information on the availability of switching. For information on the availability of switching, please refer to the Annexure of the respective Class.

To switch, simply complete a switch application and send to our Distributors or Principal Islamic Malaysia's offices. Currently, there is no restriction on the frequency of switches. However, we have the discretion to allow or to reject any switching into (or out of) the Fund or Class and other Principal Islamic Malaysia's funds (or its class(es)).

Switching from an Islamic fund to a conventional fund is discouraged especially for Muslim Unit holders.

3.9.1 Processing a switch

We process a switch as a withdrawal from one fund or class and an investment into another fund or class within Principal Islamic Malaysia's funds. If we receive a complete switch request by 4:00 p.m. on a Business Day, we will process the switch-out using the NAV per unit for that Business Day. If we receive the request after 4:00 p.m. on a Business Day, the switch-out will be processed using the NAV per unit for the next Business Day.

However, you should note that switch-in may be processed at a later Business Day, generally within one (1) Business Day to four (4) Business Days.

3.10 TRANSFER FACILITY

You may transfer your units to another eligible Sophisticated Investor subject to terms and conditions as may be stipulated in the Deed. However, we may refuse to register any transfer of units at our absolute discretion. You may be charged a Transfer Fee for each transfer. Please refer to the Annexure of the respective Class for further information.

3.11 TEMPORARY SUSPENSION

We may temporarily suspend the dealing in units of the Classes or Fund, subject to the GLOLA and/or the Deed. Please note that during the suspension period, there will be no NAV per unit available and hence, we will not accept any transactions for the applications, withdrawals, switches and/or transfers of units. If we have earlier accepted your request for withdrawals and switches of units, please note that there may be delay in processing those transactions and you will be notified accordingly. You will also be notified once the suspension is lifted.

3.12 DISTRIBUTION PAYMENT

Depending on the distribution policy of the respective Class, distribution (if any) will be made at the end of each distribution period to the Classes according to its distribution policy. Each unit of the Class will receive the same distribution for a distribution period regardless of when those units were purchased. The distribution amount you will receive is calculated by multiplying the total number of units held by you in the Class with the distribution amount in cent per unit. Once a distribution has been paid, the NAV per unit will adjust accordingly. For more information on the distribution policy of each Class, please see Annexure of the respective Class.

All distributions (if any) will be automatically reinvested into additional units in the Class at the NAV per unit of the Class on the distribution date (the number of units will be rounded to two (2) decimal places), unless written instructions to the contrary are communicated to us, in which case you should have first furnished us with details of your valid and active bank account in the currency denomination of that Class, that all distribution payment shall be paid into (the cost and expense will be borne by you). No Application Fee is payable for the reinvestment.

If units are issued as a result of the reinvestment of a distribution or other circumstance after you have withdrawn your investment from the Class, those additional units will then be withdrawn and the proceeds will be paid to you. You should note that distribution payments, if any, will be made in the respective currency for the Class(es). As such, the distribution amount may be different for each Class as a result of exchange rate movement between the base currency of the Fund and the denominated currency of the Class(es). The distribution will be paid into your bank account (which shall be in the respective currency of the Class(es)) in our records (at your cost and expense).

The Fund may distribute from realised income, realised capital gains, unrealised income, unrealised capital gains, capital or a combination of any of the above. Distributions are at our discretion and are not guaranteed, and the making of any distribution does not imply that further distributions will be made and we reserve the right to vary the frequency and/or amount of distributions. Distribution out of capital is to allow the Fund the ability to distribute income according to the Fund's defined frequency or to pursue the investment objective of the Fund. The effects of making distribution out of capital has a risk of eroding the capital of the Fund.

Distribution out of capital represent a return or withdrawal of part of the amount of your original investment and/or capital gains attributable to the original investment and will result in a reduction in the NAV per unit of the Classes and reduce the capital available for future investment and capital growth. Future capital growth may therefore be constrained and the value of future returns would be diminished.

Note: Please note that for Class(es) that provide distribution, we have the right to make provisions for reserves in respect of distribution of the Class. If the income available is too small or insignificant, any distribution may not be of benefit to you as the total cost to be incurred in any such distribution may be higher than the amount for distribution. We have the discretion to decide on the amount to be distributed to you. We also have the discretion to make income distribution on an ad-hoc basis, taking into consideration the level of its realised income, realised gains and/or capital, as well as the performance of the Fund.

3.13 UNCLAIMED MONEYS

Any moneys payable to you which remain unclaimed after two (2) years as prescribed by the Unclaimed Moneys Act 1965 ("UMA"), will be surrendered to the Registrar of Unclaimed Moneys by us in accordance with the requirements of the UMA. Thereafter, all claims need to be made by you with the Registrar of Unclaimed Moneys.

For income distribution payout to you by bank transfer, if any which remained unsuccessful and unclaimed for six (6) months, it will be reinvested into the Class within thirty (30) Business Days after the six (6) months period based on the prevailing NAV per

unit on the day of the reinvestment provided that you still hold units of the Class. No Application Fee is payable for the reinvestment. In the event that you no longer hold any unit in the Class, the distribution money would be subject to the same treatment mentioned in the above paragraph as prescribed by the UMA.

Unit prices and distributions payable, if any, may go down as well as up.

We have the discretion to amend the amount, rate and/or terms and conditions of the transaction information herein, subject to the requirements stipulated in the Deed. Where necessary, we will notify the Trustee and communicate to you on the amendments to the transaction information.

4. ADDITIONAL INFORMATION

4.3. TERMINATION OF FUND AND/OR ANY OF THE CLASSES

Subject to the provision set out below, the Fund and/or any of the Classes may be terminated or wound-up without the need to seek Unit holders' prior approval as proposed by us with the consent of the Trustee (whose consent shall not be unreasonably withheld) upon the occurrence of any of the following events, by giving not less than one (1) month' notice in writing to the Unit holders as hereinafter provided (i) if any law shall be passed which renders it illegal or (ii) if in our reasonable opinion it is impracticable or inadvisable to continue the Fund and/or Class. A Class may be terminated by Unit holders if a Special Resolution is passed at a Unit holders' meeting of that Class to terminate or wind-up that Class provided always that such termination or winding-up of that Class does not materially prejudice the interest of any other Class in that Fund.

4.4. RIGHTS, LIABILITIES AND LIMITATIONS OF UNIT HOLDERS

The money you have invested in the Fund will purchase a certain number of units, which represents your interest in the Fund. Each unit held by you in the Fund represents an equal undivided beneficial interest in the assets of the Fund. You will be recognised as a registered Unit holder in the Fund on the Business Day the details are entered onto the register of Unit holders.

Please take note that if your investments are made through the Distributor (i.e. the IUTA via a nominee system of ownership), you would not be deemed to be a Unit holder under the Deed and as a result, may not exercise all the rights ordinarily conferred to a Unit holder (e.g. the right to call for Unit holders' meetings and the right to vote at a Unit holders' meeting).

 - (iv) to consider any other matter in relation to the Deed.
- vote for the removal of the Trustee or the Manager through a Special Resolution;
- receive annual and quarterly reports of the Fund; and
- exercise cooling-off right.

Unit holders' rights may be varied by changes to the Deed, the GLOLA or judicial decisions or interpretation.

Liabilities

- Your liability is limited to the purchase price paid or agreed to be paid for a unit. You do not need to indemnify the Trustee or us in the event that the liabilities incurred by us and/or the Trustee in the name of or on behalf of the Fund pursuant to and/or in the performance of the provisions of the Deed exceed the value of the assets of the Fund.
- Any right of indemnity of us and/or the Trustee shall be limited to recourse to the Fund.

Limitations

You cannot:

- interfere with or question the exercise by the Trustee, or us on its behalf, of the rights of the Trustee as the registered owner of the assets of the Fund;

In the unlikely event that any conflict of interest arises, such conflict shall be resolved such that the Fund is not disadvantaged. In the unlikely event that we face conflicts in respect of our duties as the manager to the Fund and to other Principal Islamic Malaysia's funds that we manage, we are obliged to act in the best interests of our investors and will seek to resolve any conflicts fairly and in accordance with the Deed.

- (4) where the Fund obtains financing as permitted under the SC's guidelines, from the related party of the Trustee.

The Trustee has in place policies and procedures to deal with any conflict of interest situation. The Trustee will not make improper use of its position as the owner of the Fund's assets to gain, directly or indirectly, any advantage or cause detriment to the interests of Unit holders. Any related party transaction is to be made on terms which are best available to the Fund and which are not less favourable to the Fund than an arms-length transaction between independent parties.

Subject to the above and any local regulations, the Trustee and/or its related group of companies may deal with each other, the Fund or any Unit holder or enter into any contract or transaction with each other, the Fund or any Unit holder or retain for its own benefit any profits or benefits derived from any such contract or transaction or act in the same or similar capacity in relation to any other scheme.
