INVESTORS' LETTER

Dear Valued Investor,

Greetings from Principal Islamic Asset Management Sdn Bhd ("Principal Islamic") and thank you for investing with us!

We are pleased to bring you a copy of the Annual Fund Report of the Principal Islamic Wholesale Sukuk Fund for the financial year ended 30 November 2022. You may also download this report from our website at www.principalislamic.com.

We are pleased to share that Principal Islamic was accorded with the Islamic Asset Manager of the Year – Asia Pacific for The Asset Triple A Islamic Finance Awards 2022. In addition to this, Principal Malaysia group, via Principal Asset Management Berhad was accorded with the ESG Asset Management Company of the Year-Highly Commended (Malaysia) award at The Asset Triple A Sustainable Investing Awards 2022 for Institutional Investor, ETF, and Asset Servicing Providers 2022. Principal Asset Management Berhad was also awarded the Top Investment House, Asset Manager-Highly Commended (Malaysia) award at the Asset Benchmark Research Asian Local Currency Bond Benchmark Review 2022.

Digital innovation is central to our strategy, as we use data and technology to develop the right solutions for you. We will continue to advance our digital capabilities to provide easy access to your investment portfolio and enable you to carry out transactions seamlessly. Please continue to check out our website (www.principalislamic.com), and LinkedIn page (Principal Islamic Asset Management Sdn Bhd) for the latest updates, market insights and investment articles.

We appreciate your continuous support and the trust you place in us.

Yours faithfully,
for **Principal Islamic Asset Management Sdn Bhd**

Munirah Khairuddin
Director

MANAGER'S REPORT

FUND OBJECTIVE AND POLICY

What is the investment objective of the Fund?

The Fund aims to provide total return of investments through potential income and capital appreciation over medium to long-term by investing primarily in Malaysian Ringgit ("MYR") denominated Islamic fixed income securities that comply with the Shariah principles.

Has the Fund achieved its objective?

For the financial year under review, the Fund is in line with its stated objective.

What are the Fund investment policy and principal investment strategy?

The Fund seeks to achieve its objective by investing in a diversified portfolio of MYR denominated Islamic fixed income securities which consists primarily of Sukuk, Government Investment Issue ("GII") and/or Government Guaranteed Issuances ("GG"). The Fund will invest between 70% and 98% (both inclusive) of its NAV in Sukuk with a minimum credit rating of AA3 by RAM Rating Services Bhd ("RAM") or AA- by Malaysian Rating Corporation Berhad ("MARC"), in unrated GII and/or unrated GG. At least 2% of the Fund's NAV will be maintained in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits.

Asset Allocation

- between 70% and 98% (both inclusive) of the Fund's NAV will be invested in Sukuk, GII and/or GG; and
- at least 2% of the Fund's NAV will be invested in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits.

Fund category/type

Wholesale Fund (Sukuk)/Income

When was the Fund launched?

Name of Class	Launch date
Class A	13 August 2020
Class B	13 August 2020
Class C	13 August 2020

What was the size of the Fund as at 30 November 2022?

RM102.82 million (104.66 million units)

What is the Fund's benchmark?

Maybank 12-month General Investment Account-i for performance comparison purpose only.

What is the Fund distribution policy?

Quarterly, depending on the availability of realised income and/or realised gains and at the Manager's discretion. The Manager has the right to make provisions for reserves in respect of distribution of the Class. If the income available is too small or insignificant, any distribution may not be of benefit to unit holder as the total cost to be incurred in any such distribution may be higher than the amount for distribution. The Manager has the discretion to decide on the amount to be distributed to the unit holders. Manager also has the discretion to make income distribution on an ad-hoc basis, taking into consideration the level of its realised income and/or realised gains, as well as the performance of the Fund.

What was the net income distribution for the six months financial year ended 30 November 2022?

The Fund distributed a total net income of RM3.98 million to unit holders for the financial year ended 30 November 2022.

FUND OBJECTIVE AND POLICY (CONTINUED)

The Fund's NAV per unit were as follows:

Date	NAV per unit (Before distribution) RM	NAV per unit (After distribution) RM
Distribution on 21 December 2021		
- Class C	1.0141	0.9999
Distribution on 21 March 2022		
- Class C	1.0098	1.0015
Distribution on 21 June 2022		
- Class C	0.9714	0.9622
Distribution on 20 September 2022		
- Class C	0.9898	0.9825

PERFORMANCE DATA

Details of portfolio composition of the Fund for the last two financial year were as follows:

	2022	2021 %
Unquoted Sukuk	96.45	88.43
Cash and other assets	3.59	11.61
Liabilities	(0.04)	(0.04)
	100.00	100.00

Performance details of the Fund for the last two financial year were as follows:

	2022	2021
NAV (RM Million)		
- Class A	0.00*	0.00*
- Class B	0.00*	0.00*
- Class C	102.82	101.77

(Launch date: 13 August 2020)

Past performance is not necessarily indicative of future performance and that unit prices and investment returns may go down, as well as up. All performance figures for the financial year have been extracted from Lipper.

MARKET REVIEW (1 DECEMBER 2021 TO 30 NOVEMBER 2022)

During the financial period under review, global bond markets experienced a sharp correction with 10-year US Treasury ("UST") yields rising 206 basis points ("bps"), from December 2021 to June 2022 (from 1.44% to 3.50%).

MARKET REVIEW (1 DECEMBER 2021 TO 30 NOVEMBER 2022) (CONTINUED)

During that period, UST yields rose across the board (with prices driven sharply lower), as the US Federal Reserve (“the Fed”) raised interest rates at its fastest pace since the 1980’s to fight stubbornly high inflation after years of loose monetary policy. The US Fed hiked interest rates by 150 bps from 0% to 0.25% to 1.50% to 1.75% (25 bps in March, 50 bps in May and 75 bps in June) as US headline inflation broke the 7.0% level in January 2022 and keep on rising to peak at a new 40-year high of 9.1% in June 2022. Malaysian Government bonds (“MGS”) 10-year yields also corrected in tandem with the UST movements (albeit at a smaller quantum) with MGS yields moving up by 95 bps during the same period (from 3.51% to 4.46%). Malaysian corporate bond yields also moved up in line with the MGS movements.

After the sharp correction in first half of 2022 (“1H22”), US Treasury market took a breather and recovered in July amid growing concerns that the Fed’s aggressive monetary tightening may induce an economic recession, thus stimulating bond purchases and pressing UST yields 90 bps lower. Malaysian MGS 10-year yields also reversed course, rallying 59bps lower to touch 3.87% at end July 2022. As widely expected, the Fed raised interest rates by another 75 bps for the second consecutive meeting on July 27th to 2.25-2.50%, and indicated that another large hike remains possible at its next meeting in September, subject to economic data. Meanwhile in the local market, the Monetary Policy Committee (MPC) of Bank Negara Malaysia (BNM) increased the Overnight Policy Rate (OPR) by 50 basis points from 1.75% to 2.25% (25 bps in May, and another 25 bps in July).

In August 2022, UST was sold off again following US Fed Chairman Jerome Powell’s hawkish remarks at the Jackson Hole economic symposium, with UST 10-year yields rising another 167 bps to peak at 4.24% in October. The Malaysian fixed income market also weakened from August to October in line with UST movement, with yields rising 68 bps higher to 4.56% as investors reassessed the path of future US interest rate hikes. The Fed delivered another two 75 bps rate hike in September and November, taking the interest rate to 3.50% to 3.75%, while Malaysia’s BNM had another two 25 bps OPR hike, also in September and November to settle at 2.75%. The US Fed emphasized that it will keep raising rates until inflation comes under control, In total, the US Fed has raised interest rates by 350 bps in six interest rate hikes, while Malaysia’s BNM raised 100 bps in four hikes during the financial period.

Market sentiment turned positive in November after US October’s inflation came in lower than expected and showed a slowing trend, fuelling expectations that the Fed may slow the pace of rate hikes going forward. UST yields reversed course, with yields rallying 64 bps lower to 3.60% by end November 2022, MGS prices also recovered in tandem, with yields falling 44 bps lower to 4.12% at end November 2022.

FUND PERFORMANCE

	1 year 30.11.2022			Since inception to 30.11.2022		
	Class	Class	Class	Class	Class	Class
	A	B	C	A	B	C
	%	%	%	%	%	%
Income Distribution	-	-	4.00	-	-	4.65
Capital Growth	0.92	0.95	(2.86)	2.64	2.68	(1.76)
Total Return	0.92	0.95	1.03	2.64	2.68	2.81
Benchmark	2.18	2.18	2.18	3.81	3.81	3.81
Average total return	0.92	0.95	1.03	1.14	1.16	1.21

Note: Average total return are annualized

Since inception, the fund’s Class A, Class B and Class C’s total return stood at 2.64%, 2.68% and 2.81% respectively.

FUND PERFORMANCE (CONTINUED)

Since inception

Changes in NAV

	30.11.2022	30.11.2021	Change %
CLASS A			
NAV (RM Million)	0.00*	0.00*	-
NAV/Unit (RM)	1.0264	1.0170	0.92
CLASS B			
NAV (RM Million)	0.00*	0.00*	-
NAV/Unit (RM)	1.0268	1.0170	0.96
CLASS C			
NAV (RM Million)	102.82	101.77	1.03
NAV/Unit (RM)	0.9824	1.0113	(2.86)

Note: 0.00* denotes value less than 0.01 million.

During the financial year under review, the NAV per unit for all Classes of the Fund is consistent with their respective total return.

Performance data represents the combined income and capital return as a result of holding units in the Fund for the specified length of time, based on NAV to NAV price. The performance data assumes that all earnings from the Fund are reinvested and are net of management and trustee fees. Past performance is not reflective of future performance and income distributions are not guaranteed. Unit prices and income distributions, if any, may fall and rise. All performance figures for the financial year have been extracted from Lipper.

PORTFOLIO STRUCTURE

Asset allocation

(% of NAV)	2022	2021
Unquoted Sukuk	96.45	88.43
Cash and other assets	3.59	11.61
Liabilities	(0.04)	(0.04)
TOTAL	100.00	100.00

During the financial year under review, the Fund increased its Unquoted Sukuk holdings to 96.45%, with the remaining balance in cash and other assets (Islamic deposits). The Fund’s asset allocation was in line with the overall strategy.

MARKET OUTLOOK*

As widely expected, the Fed raised The Fed funds rate by 50 bps to 4.25%-4.50% in its monetary policy meeting on 13-14 December 2022, its seventh consecutive rate hike this year. The Committee is strongly committed to returning inflation to its 2% objective. According to the Fed Chairman, Jerome Powell, despite inflation in October 2022 and November 2022 showed a welcome decline, more evidence are needed to determine if inflation is on a sustained downward path. FOMC members anticipate the central bank will continue to tighten until it reaches a terminal Fed Funds Rate of 5.1% in 2023, up from its previously projected 2023 terminal rate of 4.6% back in September 2022.

For Malaysia, the next BNM meeting is scheduled on 18th to 19th January 2023 with the market currently anticipating one or two more potential rate hikes in 2023.

We are mindful of the thin market liquidity as we head towards the year-end. The market is expected to pay attention to the new cabinet’s ability to deliver key agendas, and watch out for the re-tableting of Budget 2023.

* This market outlook does not constitute an offer, invitation, commitment, advice or recommendation to make a purchase of any investment. The information given in this article represents the views of Principal Islamic Asset Management Sdn Bhd (“Principal Islamic”) or based on data obtained from sources believed to be reliable by Principal Islamic. Whilst every care has been taken in preparing this, Principal Islamic makes no guarantee, representation or warranty and is under no circumstances liable for any loss or damage caused by reliance on, any opinion, advice or statement made in this market outlook.

INVESTMENT STRATEGY

The Fund has reinvested further in new Sukuk issuances with higher yields and upside potential. We look to lengthen duration in the near term while selectively redeploying cash into primary issuances and value investments. We continue to overweight corporate sukuk for yield enhancements and will monitor market movements to identify opportunistic entry points for reinvestment.

SOFT COMMISSIONS AND REBATES

Principal Islamic Asset Management Sdn Bhd (the “Manager”) and the Trustee will not retain any form of rebate or soft commission from, or otherwise share in any commission with, any broker in consideration for directing dealings in the investments of the Principal Malaysia Funds (“Funds”) unless the soft commission received is retained in the form of goods and services such as research and advisory services that assist in the decision making process relating to the Fund’s investments. All dealings with brokers are executed on best available terms.

SOFT COMMISSIONS AND REBATES (CONTINUED)

During the financial year under review, the Manager and Trustee did not receive any rebates from brokers or dealers but the Manager has retained soft commission in the form of goods and services for the benefit of the fund such as financial wire services and stock quotations system incidental to investment management of the Funds and there was no churning of trades.

SECURITIES FINANCING TRANSACTIONS

The Fund has not undertaken any securities lending or repurchase transactions during the financial year under review.

STATE OF AFFAIR OF THE FUND

Latest changes to the Statement by Manager's signatory as follows:

Dato' Paduka Syed Mashafuddin Syed Badarudin (resigned on 05 November 2022)

There were no other significant changes in the state of affairs of the Fund during the financial year and up to the date of Manager's report, not otherwise disclosed in the financial statements.

CIRCUMSTANCES THAT MATERIALLY AFFECT ANY INTEREST OF UNIT HOLDERS

There were no circumstances that had materially affected the interest of the unit holders during the financial year under review.

CROSS TRADE

No cross-trade transactions have been carried out during the financial year under review.

UNIT SPLIT

No unit split exercise has been carried out during the financial year under review.

**STATEMENT BY MANAGER TO THE UNIT HOLDERS OF
PRINCIPAL ISLAMIC WHOLESALE SUKUK FUND**

I, being the Director of Principal Islamic Asset Management Sdn Bhd (the “Manager”), do hereby state that, in the opinion of the Manager, the accompanying audited financial statements set out on pages 8 to 30 are drawn up in accordance with the provisions of the Deeds and give a true and fair view of the financial position of the Fund as at 30 November 2022 and of its financial performance, changes in net assets attributable to unit holders and cash flows for the financial year then ended in accordance with the provisions of the Malaysian Financial Reporting Standards (“MFRS”) and International Financial Reporting Standards (“IFRS”).

**INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS OF
PRINCIPAL ISLAMIC WHOLESALE SUKUK FUND**

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Principal Islamic Wholesale Sukuk Fund (the "Fund"), which comprise the statement of financial position as at 30 November 2022, and statement of comprehensive income, statement of changes in net assets attributable to unit holders and statement of cash flows of the Fund for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 8 to 30.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 November 2022, and of its financial performance and cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence and other ethical responsibilities

We are independent of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

**INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS OF
PRINCIPAL ISLAMIC WHOLESALE SUKUK FUND (cont'd.)**

Report on the audit of the financial statements (cont'd.)

Information other than the financial statements and auditors' report thereon

The Manager of the Fund (the "Manager") is responsible for the other information. The other information comprises the information included in the annual report of the Fund, but does not include the financial statements of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Fund or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Manager for the financial statements

The Manager is responsible for the preparation of financial statements of the Fund that give a true and fair view in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards. The Manager is also responsible for such internal control as the Manager determines is necessary to enable the preparation of financial statements of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Fund, the Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

The Trustee is responsible for overseeing the Fund's financial reporting process. The Trustee is also responsible for ensuring that the Manager maintains proper accounting and other records as are necessary to enable true and fair presentation of these financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS OF
PRINCIPAL ISLAMIC WHOLESALE SUKUK FUND (cont'd.)**

Report on the audit of the financial statements (cont'd.)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Fund, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Manager.
- Conclude on the appropriateness of the Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Fund or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Fund, including the disclosures, and whether the financial statements of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Manager regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS OF
PRINCIPAL ISLAMIC WHOLESALE SUKUK FUND (cont'd.)**

Other matters

This report is made solely to the unit holders of the Fund, as a body, in accordance with the Guidelines on Unlisted Capital Market Products under the Lodge and Launch Framework issued by the Securities Commission Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

The accompanying notes to the financial statements form an integral part of the audited financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 30 NOVEMBER 2022**

1. THE FUND, THE MANAGER AND ITS PRINCIPAL ACTIVITIES

Principal Islamic Wholesale Sukuk Fund (the “Fund”) is governed by a Principal Deed dated 22 June 2020 (the “Deed”), made between Principal Islamic Asset Management Sdn Bhd (the “Manager”) and PB Trustee Services Berhad (the “Trustee”).

The Fund aims to provide total return of investments through potential income and capital appreciation over medium to long-term by investing primarily in MYR denominated Islamic fixed income securities that comply with the Shariah principles.

The Fund seeks to achieve its objective by investing in a diversified portfolio of MYR denominated Islamic fixed income securities which consists primarily of Sukuk, GII and/or GG. The Fund will invest between 70% and 98% (both inclusive) of its NAV in Sukuk with a minimum credit rating of AA3 by RAM or AA- by MARC, in unrated GII and/ or unrated GG. At least 2% of the Fund’s NAV will be maintained in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits.

Asset Allocation

- between 70% and 98% (both inclusive) of the Fund’s NAV will be invested in Sukuk, GII and/or GG; and
- at least 2% of the Fund’s NAV will be invested in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits.

All investments are subjected to the Securities Commission Malaysia (“SC”) Guidelines on Unlisted Capital Market Products under the Lodge and Launch Framework, SC requirements, the Deeds, except where exemptions or variations have been approved by the SC, internal policies and procedures and the Fund’s objective.

The Manager, a company incorporated in Malaysia, is jointly owned by Principal Financial Services, Inc and CIMB Group Sdn Bhd. The principal activities of the Manager are the establishment and management of unit trust funds and fund management activities

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements:

(a) Basis of preparation

The financial statements have been prepared in accordance with the provisions of the MFRS as issued by the Malaysian Accounting Standards Board (“MASB”) and International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”).

The financial statements have been prepared under the historical cost convention, as modified by financial assets at fair value through profit or loss.

The preparation of financial statements in conformity with MFRS and IFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(a) Basis of preparation (continued)

It also requires the Manager to exercise their judgement in the process of applying the Fund's accounting policies. Although these estimates and assumptions are based on the Manager's best knowledge of current events and actions, actual results may differ.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(j).

There are no other standards, amendments to standards or interpretations that are effective for financial year beginning on 1 December 2021 that have a material effect on the financial statements of the Fund.

None of the standards, amendments to standards or interpretations that are effective for the financial year beginning on/after 1 December 2022 are applicable to the Fund.

(b) Financial assets and financial liabilities

Classification

The Fund classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value through profit or loss, and
- those to be measured at amortised cost.

The Fund classifies its investments based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. The Fund has not taken the option to irrevocably designate any equity securities as fair value through other comprehensive income ("OCI").

The contractual cash flows of the Fund's debt securities are solely payment of principal and interest¹ ("SPPI"). However, these securities are neither held for the purpose of collecting contractual cash flows nor held both for collecting contractual cash flows and for sale. The collection of contractual cash flows is only incidental to achieving the Fund's business model's objective. Consequently, all investments are measured at fair value through profit or loss.

The Fund classifies cash and cash equivalents, amount due from dealer and amount due from Manager as financial assets at amortised cost as these financial assets are held to collect contractual cash flows consisting of the amount outstanding.

All the Fund's financial liabilities (excluding the Net Assets Attributable to Unit Holders) are measured at amortised cost.

¹ For the purposes of this Fund, interest refers to profits earned from Shariah-compliant investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(b) Financial assets and financial liabilities (continued)

Recognition and measurement

Regular purchases and sales of financial assets are recognised on the trade-date, the date on which the Fund commits to purchase or sell the asset. Shariah-compliant investments are initially recognised at fair value.

Financial instruments are recognised in the statement of financial position when, and only when, the Fund becomes a party to the contractual provisions of the financial instrument.

Financial assets are derecognised when the rights to receive cash flows from the Shariah-compliant investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

Financial liabilities are derecognised when it is extinguished, i.e. when the obligation specified in the contract is discharged or cancelled or expired.

Unrealised gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss are presented in the statement of comprehensive income within net gain or loss on financial assets at fair value through profit or loss in the financial year which they arise.

Unquoted Sukuk denominated in Ringgit Malaysia ("MYR") are revalued on a daily basis based on fair value prices quoted by a Bond Pricing Agency ("BPA") registered with the SC as per the SC Guidelines on Unlisted Capital Market Products under the Lodge and Launch Framework. Refer to Note 2(j) for further explanation.

Shariah-compliant deposits with licensed Islamic financial institutions are stated at cost plus accrued profit calculated on the effective profit method over the year from the date of placement to the date of maturity of the respective deposits.

Financial assets at amortised cost and other financial liabilities are subsequently carried at amortised cost using the effective profit method.

Impairment for assets carried at amortised costs

The Fund measures credit risk and expected credit losses using probability of default, exposure at default and loss given default. Management considers both historical analysis and forward-looking information in determining any ECL. Management considers the probability of default to be close to zero as these instruments have a low risk of default and the counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12 month ECL as any such impairment would be wholly insignificant to the Fund.

Significant increase in credit risk

A significant increase in credit risk is defined by management as any contractual payment which is more than 30 days past due.

Definition of default and credit-impaired financial assets

Any contractual payment which is more than 90 days past due is considered credit impaired.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**(b) Financial assets and financial liabilities (continued)**Write-off

The Fund writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount. The Fund may write-off financial assets that are still subject to enforcement activity. Subsequent recoveries of amounts previously written off will result in impairment gains. There are no write-offs/recoveries during the financial year.

(c) Income recognition

Profit income from Shariah-compliant deposits with licensed Islamic financial institutions and unquoted Sukuk are recognised on a time proportionate basis using the effective profit method on an accrual basis.

Profit income is calculated by applying the effective profit rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective profit rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

Realised gain or loss on disposal of unquoted Sukuk is accounted for as the difference between the net disposal proceeds and the carrying amount of Shariah-compliant investments, determined on cost adjusted for accretion of discount or amortisation of premium.

(d) Functional and presentation currencies

Items included in the financial statements of the Fund are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). The financial statements are presented in MYR, which is the Fund's functional and presentation currency.

(e) Cash and cash equivalents

For the purpose of statement of cash flows, cash and cash equivalents comprise bank balances and Shariah-compliant deposits held in highly liquid investments with original maturities of three months or less that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

(f) Taxation

Current tax expense is determined according to Malaysian tax laws at the current rate based upon the taxable profit earned during the financial year.

(g) Distribution

A distribution to the Fund's unit holders is accounted for as a deduction in the statement of comprehensive income as the unit holders' contributions are classified as financial liability as per Note 2(b). A proposed distribution is recognised as a liability in the financial year in which it is approved by the Trustee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(h) Unit holder's contributions

The unit holders' contributions to the Fund meet the definition of puttable instruments classified as financial liability under MFRS 132 "Financial Instruments: Presentation".

The Fund issues cancellable units, in three classes of units, known respectively as the Class A, Class B and Class C which are cancelled at the unit holder's option and do not have identical features subject to restrictions as stipulated in the Prospectus and SC Guidelines on Unit Trust Funds¹. The units are classified as financial liabilities. Cancellable units can be put back to the Fund at any time for cash equal to a proportionate share of the Fund's NAV of respective classes. The outstanding units are carried at the redemption amount that is payable at the date of the statement of financial position if the member exercises the right to put back the unit to the Fund.

Units are created and cancelled at the unit holders' option at prices based on the Fund's NAV per unit of respective classes at the close of business on the relevant dealing day. The Fund's NAV per unit of respective classes is calculated by dividing the net assets attributable to members of respective classes with the total number of outstanding units of respective classes.

(i) Realised and unrealised portions of profit or loss after tax

The analysis of realised and unrealised portions of profit or loss after tax as presented on the statement of comprehensive income is prepared in accordance with SC Guidelines on Unit Trust Funds¹.

(j) Critical accounting estimates and judgements in applying accounting policies

The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, rarely equal the related actual results. To enhance the information content of the estimates, certain key variables that are anticipated to have material impact to the Fund's results and financial position are tested for sensitivity to changes in the underlying parameters.

Estimates and judgement are continually evaluated by the Manager and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Estimate of fair value of unquoted Sukuk

In undertaking any of the Fund's investment, the Manager will ensure that all assets of the Fund under management will be valued appropriately, that is at fair value and in compliance with the SC Guidelines on Unit Trust Funds.

MYR-denominated unquoted Sukuk are valued using fair value prices quoted by a BPA. Where the Manager is of the view that the price quoted by BPA for a specific unquoted Sukuk differs from the market price by more than 20 bps the Manager may use market price, provided that the Manager records its basis for using a non-BPA price, obtains necessary internal approvals to use the non-BPA price, and keeps an audit trail of all decisions and basis for adopting the use of non-BPA price.

¹ The presentation of the analysis of realised and unrealised portions of increase/decrease in net assets attributable to unit holders as presented on the statement of comprehensive income is provided as per the SC Guidelines on Unit Trust Funds. However, the Fund is not guided by the SC Guidelines on Unit Trust Funds.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial instruments of the Fund were as follows:

	Financial assets at fair value through profit or loss RM	Financial assets at amortised cost RM	Total RM
2022			
Cash and cash equivalents (Note 9)	-	3,694,892	3,694,892
Unquoted sukuk (Note 8)	<u>99,168,069</u>	<u>-</u>	<u>99,168,069</u>
	<u>99,168,069</u>	<u>3,694,892</u>	<u>102,862,961</u>
2021			
Cash and cash equivalents (Note 9)	-	11,814,420	11,814,420
Unquoted sukuk (Note 8)	<u>89,992,536</u>	<u>-</u>	<u>89,992,536</u>
	<u>89,992,536</u>	<u>11,814,420</u>	<u>101,806,956</u>

All liabilities are financial liabilities which are carried at amortised cost.

The Fund aims to provide total return of investments through potential income and capital appreciation over medium to long-term by investing primarily in MYR denominated Islamic fixed income securities that comply with the Shariah principles.

The Fund is exposed to a variety of risks which include market risk (inclusive of price risk, interest rate risk and currency risk), credit risk and liquidity risk.

Financial risk management is carried out through internal control process adopted by the Manager and adherence to the investment restrictions as stipulated in the Deed and SC Guidelines on Unlisted Capital Market Products under the Lodge and Launch Framework.

(a) Market risk

(i) Price risk

This is the risk that the fair value of an investment in unquoted Sukuk will fluctuate because of changes in market prices (other than those arising from interest rate risk).

The Fund is exposed to price risk arising from profit rate fluctuation in relation to its investments of RM99,168,069 in unquoted Sukuk. The Fund's exposure to price risk arising from profit rate fluctuation and the related sensitivity analysis are disclosed in "interest rate risk" below.

(ii) Interest rate risk

In general, when interest rates rise, unquoted Sukuk prices will tend to fall and vice versa. Therefore, the NAV of the Fund may also tend to fall when interest rates rise or are expected to rise. However, investors should be aware that should the Fund holds an unquoted Sukuk till maturity, such price fluctuations would dissipate as it approaches maturity, and thus the growth of the NAV shall not be affected at maturity.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(a) Market risk (continued)

(ii) Interest rate risk (continued)

In order to mitigate interest rates exposure of the Fund, the Manager will manage the duration of the portfolio via shorter or longer tenured assets depending on the view of the future interest rate trend of the Manager, which is based on its continuous fundamental research and analysis.

Although unquoted Sukuk is a non-interest bearing instrument, investors should note that the movement in prices of unquoted Sukuk are correlated to the movement in interest rates. As such, the investments in unquoted Sukuk are exposed to the movement of the interest rates. Even though the Fund does not invest in interest bearing instruments, the interest rate referred herein is to the general interest rate of the country, which may affect the value of the investment of the Fund. However, it does not in any way suggest that this Fund will invest in conventional financial instruments. All investments carried out for the Fund including placement and deposits are in accordance with Shariah.

This risk is crucial since unquoted Sukuk portfolio management depends on forecasting interest rate movements. Prices of unquoted Sukuk move inversely to interest rate movements, therefore as interest rates rise, the prices of unquoted Sukuk decrease and vice versa. Furthermore, unquoted Sukuk with longer maturity and lower yield coupon rates are more susceptible to interest rate movements.

Such investments may be subject to unanticipated rise in interest rates which may impair the ability of the issuers to meet the obligation under the instrument, especially if the issuers are highly leveraged. An increase in interest rates may therefore increase the potential for default by an issuer.

The table below summarises the sensitivity of the Fund's profit or loss and NAV to movements in prices of unquoted Sukuk held by the Fund as a result of movement in interest rate at the end of each reporting year. The analysis is based on the assumptions that the interest rate changed by 1% with all other variables held constant. This represents management's best estimate of a reasonable possible shift in the interest rate, having regard to the historical volatility of the interest rate.

% Change in interest rate	Impact on profit or loss/NAV	
	2022 RM	2021 RM
+1%	(338,637)	(269,381)
-1%	340,304	270,518

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Fund is not exposed to cash flow interest rate risk as the Fund does not hold any financial instruments at variable interest rate

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(a) Market risk (continued)

(ii) Interest rate risk (continued)

The weighted average effective profit rate per annum was as follows:

	2022 %	2021 %
Deposits with licensed financial institutions	1.50	1.75

As at the end of each financial year, the Fund is not exposed to a material level of interest rate risk.

(b) Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligation resulting in financial loss to the Fund.

Investment in unquoted Sukuk may involve a certain degree of credit/default risk with regards to the issuers. Generally, credit risk or default risk is the risk of loss due to the issuer's non-payment or untimely payment of the investment amount as well as the returns on investment. This will cause a decline in value of the defaulted unquoted Sukuk and subsequently depress the NAV of the Fund. Usually, credit risk is more apparent for an investment with a longer tenure, i.e. the longer the duration, the higher the credit risk.

Credit risk can be managed by performing continuous fundamental credit research and analysis to ascertain the creditworthiness of its issuer. In addition, the Manager imposes a minimum rating requirement as rated by either local and/or foreign rating agencies and manages the duration of the investment in accordance with the objective of the Fund. For this Fund, the unquoted Sukuk investments must satisfy a minimum rating requirement of at least "AA3" rating by RAM or equivalent rating by "AA-" rating by MARC or by local rating agency(ies) of the country of issuance; or equivalent rating by any other international rating agencies.

The following table sets out the credit risk concentration of the Fund:

	Cash and cash equivalents RM	Financial assets at fair value through profit or loss RM	Total RM
2022			
- AAA	3,694,892	19,027,041	22,721,933
- AA3	-	18,200,534	18,200,534
- AA	-	56,751,060	56,751,060
- Government Guaranteed	-	5,189,434	5,189,434
	3,694,892	99,168,069	102,862,961

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(b) Credit risk (continued)

The following table sets out the credit risk concentration of the Fund (continued):

	Cash and cash equivalents RM	Financial assets at fair value through profit or loss RM	Total RM
2021			
- AAA	11,814,420	10,102,458	21,916,878
- AA3	-	51,313,302	51,313,302
- AA	-	23,209,747	23,209,746
- Government Guaranteed	-	5,367,029	5,367,029
	<u>11,814,420</u>	<u>89,992,536</u>	<u>101,806,956</u>

Shariah-compliant deposits with licensed Islamic financial institutions of the Fund have an average maturity of 1 days (2021:1 days).

(c) Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting its financial obligations.

The Manager manages this risk by maintaining sufficient level of liquid assets to meet anticipated payments and cancellations of the units by unit holders. Liquid assets comprise bank balance and Shariah-compliant deposits with licensed Islamic financial institutions, which are capable of being converted into cash within 7 business days. Generally, all investments are subject to a certain degree of liquidity risk depending on the nature of the investment instruments, market, sector and other factors. For the purpose of the Fund, the Manager will attempt to balance the entire portfolio by investing in a mix of assets with satisfactory trading volume and those that occasionally could encounter poor liquidity. This is expected to reduce the risks for the entire portfolio without limiting the Fund's growth potentials.

The table below summarises the Fund's financial liabilities into relevant maturity groupings based on the remaining year as at the statement of financial position date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	Less than 1 month RM	Between 1 month to 1 year RM	Total RM
2022			
Accrued management fee	15,641	-	15,641
Amount due to Trustee	2,094	-	2,094
Other payables and accruals	-	22,000	22,000
Contractual undiscounted cash flows	<u>17,735</u>	<u>22,000</u>	<u>39,735</u>

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES
(CONTINUED)

(c) Liquidity risk (continued)

	Less than 1 month RM	Between 1 month to 1 year RM	Total RM
2021			
Accrued management fee	16,693	-	16,693
Amount due to Trustee	2,087	-	2,087
Other payables and accruals	-	17,000	17,000
Contractual undiscounted cash flows	<u>18,780</u>	<u>17,000</u>	<u>35,780</u>

(d) Capital risk management

The capital of the Fund is net assets attributable to unit holders of RM102,823,226 (2021:RM101,771,176). The amount of capital can change significantly daily as the Fund is subject to daily subscriptions and redemptions at the discretion of unit holders. The Fund's objective when managing capital is to safeguard the Fund's ability to continue as a going concern in order to provide returns to unit holders and benefits for other stakeholders and to maintain a strong capital base to support the development of the investment activities of the Fund.

(e) Fair value estimation

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price).

The fair value of financial assets traded in active markets (such as trading securities) are based on quoted market prices at the close of trading on the financial year end date. The Fund utilises the last traded market price for financial assets where the last traded market price falls within the bid-ask spread. In circumstances where the last traded price is not within the bid-ask spread, the Manager will determine the point within the bid-ask spread that is most representative of the fair value.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

The fair value of financial assets that are not traded in an active market is determined by using valuation techniques.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES
(CONTINUED)

(e) Fair value estimation (continued)

(i) Fair value hierarchy

The table below analyses financial instruments carried at fair value. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active market for identical assets or liabilities (Level 1)
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2)
- Inputs for the asset and liability that are not based on observable market data (that is, unobservable inputs) (Level 3)

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety.

If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement.

Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes 'observable' requires significant judgement by the Fund. The Fund considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

	Level 1 RM	Level 2 RM	Level 3 RM	Total RM
2022				
Financial assets at fair value through profit or loss:				
- Unquoted Sukuk	-	99,168,069	-	99,168,069
2021				
Financial assets at fair value through profit or loss:				
- Unquoted Sukuk	-	89,992,536	-	89,992,536

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(e) Fair value estimation (continued)

(i) Fair value hierarchy (continued)

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within Level 2. This includes unquoted Sukuk. As Level 2 instruments include positions that are not traded in active markets and/or are subject to transfer restrictions, valuations may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information. The Fund's policies on valuation of these financial assets are stated in Note 2(b).

(ii) The carrying values of cash and cash equivalents and all current liabilities are a reasonable approximation of their fair values due to their short-term nature.

4. MANAGEMENT FEE

In accordance with the Deeds, the Manager is entitled to a maximum management fee of 3.00% per annum, calculated daily based on the NAV of the Fund.

For the financial year ended 30 November 2022, the management fee for the respective classes is:

Class A	Class B	Class C
0.3%	0.25%	0.2%

There was no further liability to the Manager in respect of management fee other than the amount recognised above.

5. TRUSTEE FEE

In accordance with the Deeds, the Trustee is entitled to a maximum fee of up to 0.025% per annum, calculated daily based on the NAV of the Fund. The Trustee Fee includes local custodian fee but excludes foreign sub-custodian fee (if any).

For the financial year ended 30 November 2022, the Trustee fee is recognized at 0.025% per annum.

There was no further liability to the Trustee in respect of the Trustee fee other than the amount recognised above.

6. DISTRIBUTION

Distributions to unit holders were derived from the following sources (assessed up to distribution declaration date):

	2022	2021
	RM	RM
Realised loss from unquoted Sukuk	(238,977)	-
Profit income from unquoted Sukuk	2,967,335	652,670
Profit income from Shariah-compliant deposit with licensed Islamic financial institutions and hibah earned	101,993	124,050

6. DISTRIBUTION (CONTINUED)

Distributions to unit holders were derived from the following sources (assessed up to distribution declaration date): (continued):

	2022 RM	2021 RM
Prior financial years' realised income	1,398,863	-
	<u>4,229,214</u>	<u>776,720</u>
Less:		
Expenses	252,838	141,774
Net distribution amount	<u>3,976,376</u>	<u>634,946</u>
Distribution on 21 December 2021		
- Class C	1.42	-
Distribution on 21 March 2022		
- Class C	0.83	-
Distribution on 21 June 2022		
- Class C	0.92	-
Distribution on 20 September 2022		
- Class C	0.73	-
Distribution on 24 June 2021		
- Class C	-	0.24
Distribution on 21 September 2021		
- Class C	-	0.40

Gross distribution was derived using total income less total expenses. Net distribution above was sourced from current year's realised income.

Gross distribution per unit is derived from gross realised income less expenses, divided by the number of units in circulation. Net distribution per unit is derived from gross realised income less expenses and taxation, divided by the number of units in circulation.

There were unrealized losses of RM 2,976,749 (2021: nil) during the financial year ended 30 November 2022.

7. TAXATION

	2022 RM	2021 RM
Tax charged for the financial year:	<u>-</u>	<u>-</u>

A numerical reconciliation between the (loss)/ profit before taxation multiplied by the Malaysian statutory income tax rate and tax expense of the Fund was as follows:

	2022 RM	2021 RM
(Loss)/ Profit before taxation	<u>(2,924,326)</u>	<u>1,133,230</u>
Taxation at Malaysian statutory rate of 24%	(701,838)	271,975
Tax effects of:		
- Investment loss not deductible for tax purpose	(313,992)	(473,336)
- Expenses not deductible for tax purposes	1,008,129	192,618
- Restriction on tax deductible expenses for Wholesale Funds	<u>7,701</u>	<u>8,743</u>
Taxation	<u>-</u>	<u>-</u>

8. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

	2022 RM	2021 RM
At fair value through profit or loss:		
- Unquoted Sukuk	<u>99,168,069</u>	<u>89,992,536</u>
Net loss on financial assets at fair value through profit or loss:		
- Realised (loss)/ gain on disposals	(238,977)	298,208
- Unrealised fair value loss	<u>(2,976,749)</u>	<u>(1,241,585)</u>
	<u>(3,215,726)</u>	<u>(943,377)</u>

11. TOTAL EXPENSE RATIO ("TER")

	2022 %	2021 %
TER	<u>0.25</u>	<u>0.27</u>

11. TOTAL EXPENSE RATIO (“TER”) (CONTINUED)

TER is derived based on the following calculation:

$$\text{TER} = \frac{(A + B + C + D + E) \times 100}{F}$$

A	=	Management fee
B	=	Trustee fee
C	=	Audit fee
D	=	Tax agent’s fee
E	=	Other expenses
F	=	Average NAV of the Fund calculated on a daily basis

The average NAV of the Fund for the financial year calculated on a daily basis is RM101,712,618 (2021:RM76,384,319).

12. PORTFOLIO TURNOVER RATIO (“PTR”)

	2022	2021
PTR (times)	<u>0.44</u>	<u>1.16</u>

PTR is derived based on the following calculation:

$$\frac{(\text{Total acquisition for the financial year} + \text{total disposal for the financial year}) \div 2}{\text{Average NAV of the Fund for the financial year calculated on a daily basis}}$$

where:

total acquisition for the financial year	= RM 51,299,500 (2021: RM133,383,857)
total disposal for the financial year	= RM 38,690,750 (2021: RM43,304,250)

13. UNITS HELD BY THE MANAGER AND PARTIES RELATED TO THE MANAGER, AND SIGNIFICANT RELATED PARTY TRANSACTIONS AND BALANCES

The related parties and their relationship with the Fund are as follows:

<u>Related parties</u>	<u>Relationship</u>
Principal Islamic Asset Management Sdn Bhd	The Manager
Principal Financial Group, Inc.	Ultimate holding company of shareholder of the Manager
Principal Financial Services, Inc	Shareholder of the Manager
Subsidiaries and associates of Principal Financial Group Inc., other than above, as disclosed in its financial statements	Fellow subsidiary and associated companies of the ultimate holding company of shareholder of the Manager
CIMB Group Holdings Bhd	Ultimate holding company of shareholder of the Manager
CIMB Group Sdn Bhd	Shareholder of the Manager

13. UNITS HELD BY THE MANAGER AND PARTIES RELATED TO THE MANAGER, AND SIGNIFICANT RELATED PARTY TRANSACTIONS AND BALANCES (CONTINUED)

The related parties and their relationship with the Fund are as follows:

<u>Related parties</u>	<u>Relationship</u>
Subsidiaries and associates of CIMB Group Holdings Bhd, other than above, as disclosed in its financial statements	Fellow subsidiary and associated companies of the ultimate holding company of shareholder of the Manager
CIMB Bank Bhd	Fellow related party to the Manager
CIMB Islamic Bank Bhd	Fellow related party to the Manager

Units held by the Manager and parties related to the Manager

	<u>2022</u>		<u>2021</u>	
	<u>No. of units</u>	<u>RM</u>	<u>No. of units</u>	<u>RM</u>
Manager				
Principal Islamic Asset Management Sdn Bhd Berhad				
- Class A	1,000	1,026	1,000	1,017

	<u>89,990,250</u>	<u>100.00</u>	<u>-</u>	<u>-</u>

Details of transactions with the dealers for the financial year ended from 30 November 2021 are as follows:

Brokers/Dealers	Value of trades RM	Percentage of total trades %	Brokerage fees RM	Percentage of total brokerage fees %
RHB Investment Bank Bhd	88,166,707	49.90	-	-
Hong Leong Bank Bhd	37,058,300	20.97	-	-
RHB Bank Bhd	32,211,100	18.23	-	-
Affin Hwang Investment Bank Bhd	10,071,000	5.70	-	-
CIMB Bank Bhd #	5,011,000	2.84	-	-
Hong Leong Investment Bank Bhd	4,170,000	2.36	-	-
	<u>176,688,107</u>	<u>100.00</u>	<u>-</u>	<u>-</u>

Included in the transactions are trades conducted with CIMB Bank Bhd, fellow related parties to the Manager amounting to RM17,411,500 (2021: RM5,011,000). The Manager is of the opinion that all transactions with the related companies have been entered into in the normal course of business at agreed terms between the related parties.

15. SIGNIFICANT EVENT DURING THE YEAR

The COVID-19 pandemic and related lockdowns and movements restrictions, together with geopolitical tensions and heightened inflationary environment globally have had, and will continue to have, a significant impact on global economic conditions and the environment which the Fund operates.

The Manager continues to closely monitor the macroeconomic outlook affected by these factors and their impact to the Fund's performance and will be managing the risks to achieve the Fund's objective.

16. APPROVAL OF FINANCIAL STATEMENTS

The financial statements have been approved for issue by the Manager on 13 January 2023.
